

****REVISED****

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
MSRC AGENDA**

Thursday, June 20, 2019 at 2:00 p.m.

LOCATION

South Coast Air Quality Management District
21865 Copley Drive, Conf. Room CC8, Diamond Bar, CA 91765

TELECONFERENCE LOCATIONS

1. Los Angeles County MTA Headquarters, Henry Huntington Room, 3rd Floor
One Gateway Plaza, Los Angeles, CA 90012
 - ~~2. City of Wildomar City Hall, Council Chambers
23873 Clinton Keith Road, Wildomar, CA 92595~~
- (Public may attend at any of the above locations)

MSRC Committee Members

MSRC Chair

Larry McCallon
Member, Board of Directors, SBCTA
Representing San Bernardino County
Transportation Authority
Alternate: John Valdivia, Board of Directors,
SBCTA

Brian Berkson
Representing Riverside County Transportation
Commission

Jack Kitowski, CARB Staff
Representing California Air Resources Board
Alternate: Michael Carter, CARB Staff

MSRC Vice-Chair

Greg Winterbottom
Member, Board of Directors, OCTA
Representing Orange County Transportation
Authority
Alternate: Tim Shaw, Chair, Board of Directors,
OCTA

Ben Benoit
Member, SCAQMD Governing Board
Representing South Coast Air Quality
Management District

Vacant
Representing Regional Rideshare Agency
Alternate: Dolores Roybal Saltarelli, MTA Staff

Steve Veres, Member, LACCD Board of
Trustees
Representing Los Angeles County MTA
Alternate: Mark Yamarone, MTA Staff

Rex Richardson
Member, SCAG Reg. Council
Representing Southern California Association of
Governments
Alternate: Meghan Sahli-Wells, Member, SCAG
Reg. Council

Members of the public may address this body concerning any agenda item before or during consideration of that item (Gov't. Code Section 548543.(a)). Please provide a Request to Address the Committee card to the Administrative Liaison if you wish to address the Committee on an agenda item. If no cards are available, please notify SCAQMD staff or a Committee Member of your desire to speak. All agendas for regular meetings are posted at District Headquarters, 21865 Copley Drive, Diamond Bar, California, at least 72 hours in advance of the regular meeting. Speakers may be limited to three (3) minutes each.

CALL TO ORDER

Opening Comments: Larry McCallon, MSRC Chair
Other MSRC Members
Naveen Berry, Asst. DEO/Science & Technology Advancement

STATUS REPORT

Clean Transportation Policy Update

Ravenstein

The Clean Transportation Policy Update provides information on key legislative and regulatory initiatives of potential interest to the MSRC. The report can be viewed at www.cleantransportationfunding.org.

CONSENT CALENDAR (Items 1 through 7)

Receive and Approve

1. Minutes of the April 18 and May 16, 2019 MSRC Meetings
Minutes to be distributed at meeting. Cedillo

2. Summary of Final Report by MSRC Contractor Gorski,
p. 1
 - Foothill Transit, MS18008
(\$100,000 – Special Transit Service to LA County Fair)

Information Only - Receive and File

3. MSRC Contracts Administrator’s Report Ravenstein
p. 5

This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from April 25 through May 29, 2019.

4. Financial Report on AB 2766 Discretionary Fund Kampa
p. 37

Financial Report for May 2019.

For Approval – As Recommended

5. Consider FY 2019-20 Administrative Budget

Berry
p. 38

An administrative budget is prepared each year as part of the annual MSRC budget.
THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL

6. Consider Modified Statement of Work and 29-Month Term Extension for City of Long Beach, Contract #ML16017 (\$1,445,400 – Purchase 50 Medium- and 19 Heavy-Duty Natural Gas Vehicles & Install CNG Station)

Ravenstein
p. 41

The City requests to substitute a number of specific vehicles. The City also requests to reduce the total number of heavy-duty vehicles from 19 to 17. Lastly, the City requests a 29-month contract term extension due to the changes in vehicle models and types. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

7. Consider Modified Project List and 10-Month Term Extension for Southern California Association of Governments (SCAG), Contract #MS18002 (\$2,500,000 – Regional Active Transportation Partnership Program)

Ravenstein
p. 44

SCAG requests to decrease the scope and value of one of the events on the previously-approved event list. SCAG proposes to utilize the cost savings to fund an additional event in Long Beach, and also requests a 10-month contract term extension to allow time to implement the additional event. Lastly, SCAG requests to reduce the scope of some of the co-funding projects. If these changes were approved, total co-funding would be \$3,325,795, which would still exceed the required amount of \$2,500,000. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

ACTION CALENDAR (Items 8 through 11)

8. Consider One-Year Term Extension by County of Los Angeles, Department of Public Works, Contract #ML14023 (\$230,000 – Upgrade Westchester Maintenance Facility)

Ravenstein
p. 51

The County requests a one-year term extension due to internal delays in processing and project filing. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL, CONTINGENT UPON THE COUNTY PROVIDING DOCUMENTATION OF CONSTRUCTION CONTRACTOR SELECTION BY APRIL 20, 2020**

9. Consider One-Year Term Extension by County of Los Angeles, Department of Public Works, Contract #ML14024 (\$230,000 – Upgrade Baldwin Park Maintenance Facility)

Ravenstein
p. 54

The County requests a one-year term extension due to internal delays in processing, project filing and bid process. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL, CONTINGENT UPON THE COUNTY PROVIDING DOCUMENTATION OF CONSTRUCTION CONTRACTOR SELECTION BY APRIL 20, 2020**

FYs 2018-21 WORK PROGRAM

10. Consider Additional Research and Outreach in Support of FYs 2018-21 Work Program Development, Reallocation of Costs Between Tasks, and \$15,000 Contract Value Increase by Better World Group Advisors (BWG), Contract #MS16030 (\$256,619 – Programmatic Outreach Services to the MSRC)

Ravenstein,
p. 57

At their May 2, 2019 meeting, the MSRC-TAC received an update on the research and outreach conducted by BWG on behalf of the MSRC. BWG's initial efforts focused on assessing other funding providers' active and potential programs that would most closely align with the MSRC's priorities for their Regional Goods Movement Program. BWG's report included recommended next steps to further develop and explore relationships with the first entities contacted as well as additional collaborative opportunities to be followed up. BWG has provided a proposal to implement this second phase of research and outreach for a total estimated cost of \$25,165. Of this, it is projected that approximately \$1,500 is available under the existing contract's task for participation in meetings. There is also approximately \$8,500 available for reallocation under the task for conducting Work Program development workshops. An additional \$15,000 would need to be allocated as part of the FYs 2018-21 Work Program should the MSRC choose to accept BWG's proposal.

THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL

11. Consider Establishment of Regional Goods Movement Program Working Groups

York

The MSRC-TAC discussed dividing goods movement-related subject matter amongst Working Groups. Within its scope, each Working Group would focus on developing potential project categories as part of the overall framework of a regional goods movement program. The MSRC-TAC considered the scope of each Working Group and what Working Groups to establish including, but not limited to, Inland Ports (focused on distribution centers in the Inland Empire), Last Mile (focused on transportation following departure from distribution centers), Maritime Ports (focused on the Ports of Long Beach and Los Angeles), and Zero/Near-Zero Truck Cooperative (focused on creating a streamlined process to assist small businesses and encourage fleet turnover).

THE MSRC-TAC UNANIMOUSLY RECOMMENDS THE ESTABLISHMENT OF THE FOLLOWING REGIONAL GOODS MOVEMENT PROGRAM WORKING GROUPS: INLAND PORTS; LAST MILE; MARITIME PORTS; AND ZERO/NEAR-ZERO TRUCK COOPERATIVE

OTHER BUSINESS

12. **Any member of the committee, on his or her own initiative or in response to questions posed by the public, may ask a question for clarification, may make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter, or may take action to direct staff to place a matter of business on a future agenda. (Govt. Code Section 54954.2)*

McCallon
p.

PUBLIC COMMENT PERIOD - (Public Comment on Non-Agenda Items, Pursuant to Government Code Section 54954.3)

At the end of the regular meeting agenda, an opportunity is provided for the public to speak on any subject within the Committee's authority that is not on the agenda. Speakers may be limited to three (3) minutes each.

ADJOURNMENT

NEXT MEETING: Date: July 18, 2019, 2:00 p.m., Room CC8

Americans with Disabilities Act

The agenda and documents in the agenda packet will be made available, upon request, in appropriate alternative formats to assist persons with a disability (Govt. Code Section 54954.2(a)). Disability-related accommodations will also be made available to allow participation in the MSRC meeting. Any accommodations must be requested as soon as practicable. Requests will be accommodated to the extent feasible. Please contact Penny Shaw Cedillo at (909) 396-3179 from 7:00 a.m. to 5:30 p.m., Tuesday through Friday, or send the request to pcedillo@aqmd.gov.

Pursuant to SB 343

All documents (i) constituting non-exempt public records, (ii) relating to an item on an agenda for a regular meeting, and (iii) having been distributed to at least a majority of the Committee after the Agenda is posted, are available prior to the meeting for public review at the South Coast Air Quality Management District, Public Information Center, 21865 Copley Drive, Diamond Bar, CA 91765.

Contacts: Cynthia Ravenstein, MSRC Contracts Administrator - (909) 396-3269
Ray Gorski, MSRC Technical Advisor – (909) 396-2479
Penny Shaw Cedillo, MSRC Administrative Liaison – (909) 396-3179

AGENDA ITEM #2

Summary of Final Reports by MSRC Contractors

MSRC Agenda Item No. 2

Date: June 20, 2019
From: Ray Gorski, MSRC Technical Advisor
Subject: Final Reports Received and Reviewed

One Final Report is forwarded for MSRC review and approval:

- Foothill Transit, Contract MS18008: \$100,000 – Special Bus Service to the Los Angeles County Fair

A summary of this Final Report is attached. The MSRC-TAC has reviewed this Final Report and recommends approval.

Contractor: Foothill Transit
Contract Number: MS18008
Contract Amount: \$100,000
Title: Special Bus Service to the Los Angeles County Fair

Discussion: The LA County Fair, held at the Fairplex in Pomona, is a popular end of summer tradition in Southern California and receives over 1.2 million visitors annually over a nineteen day period. The high volume of visitors results in traffic congestion along the surface streets and freeway off-ramps along the I-10 and SR-57 freeways.

In March 2016, LA Metro opened the Gold Line Extension Phase 1, which connected Pasadena to Azusa. Since opening, the ridership of the Gold Line extension has exceeded LA Metro's initial estimates.

As a means to help ease congestion caused by the LA County Fair and take advantage of the popularity of the Gold Line extension, Foothill Transit implemented a new line in September of 2016, Line 196, specifically designed for visitors of the LA County Fair. The bus line allowed customers to travel on the Gold Line, and then take the limited stop bus service into the Fairplex. The route originated at the newly constructed Azusa Intermodal Transportation Center and accommodated transfers with not only the Gold Line, but also other heavily used Foothill Transit lines. The goal is to get visitors out of their single occupancy vehicles to reduce emissions and leverage the vast LA Metro rail network to attract visitors from all areas of Los Angeles County.

Line 196 operates one hour before the Fair opens and the last trip is one hour after the Fair closes on Saturday, Sunday, and Labor Day. At its peak, the service utilized two 2016 New Flyer Compressed Natural Gas (CNG) buses.

The line had a limited number of stops to allow faster travel time. The stops along the route allowed transfer opportunities with one of Foothill Transit's busiest lines, Line 187. Two additional stops were added along the route to service three college campuses in the area. One stop serviced Azusa Pacific University and Citrus College and another stop serviced the University of La Verne.

Customers that used the service saved a minimum of \$15 on parking. They also had the opportunity to save \$8 when pre-purchasing tickets by entering the coupon code "Foothill" on the LA County Fair website.

Foothill Transit staff met with representatives from the Fairplex to coordinate the bus movement and onsite stop location. The bus stop at the LA County Fair for Line 196 was located at a designated transit

hub on Fairplex property that shared the space with other transportation options, such as MetroLink, Taxi Cabs, and ridesharing companies. Customers were then transported via a free shuttle bus to the admission gates.

In an effort to expand the program from 2016, an additional Foothill Transit bus route was modified during the weekend service to provide access to the Fair. Line 197 operates from Pomona Transit Center to Montclair Transit Center at a one-hour headway during the weekend. Since the service normally travels adjacent to the Fairplex on White Ave., the modification to this routing allowed customers to avoid traffic and get direct access to admission gates.

To assist customers, four Foothill Transit ambassadors were assigned each day of service. Two ambassadors were stationed at the Azusa Intermodal Transportation Center from 9AM to 1PM and 2 ambassadors were stationed at the LA County Fair stop from 6PM until the last trip. The ambassadors answered customer questions and surveyed customer on:

1. Trip origin
2. Mode of transfer to the stop
3. How they heard about the service

Foothill Transit worked with the LA County Fair marketing team to obtain official fair images to use in Foothill Transit advertising. Foothill Transit created interior cards displayed in the buses and "take-one" brochures that were distributed in its five Transit Stores, on the buses, local high schools, colleges, and community centers. Signs were also posted at Foothill Transit's busier stops. Radio spots featuring

Foothill Transit ran on LA stations KOST, KCBS, KJLH, KLOS, KPWR, KRTH, KTWV and KKGQ. The same spot ran on IE stations KGGI, KFRG, KOLA & KQIE. Total number of impressions across all stations was 15,300,000. Foothill Transit received an estimated 5% of the total radio buy coming out to 765,000 impressions.

A webpage on Foothill Transit's website was dedicated to the service and social media was used to "spread the word" about the new service. The dedicated webpage garnered a little fewer than 10,000 throughout the Fair season in September.

In recognition for the creative marketing approach to the 2018 LA County Fair Service, Foothill Transit received the American Public Transportation Association AdWheel Award. The award is presented to the public transit agency that demonstrated the highest achievement during a marketing and communications campaign over the course of the year.

September 2017 was the second year of service for Line 196 and first year of re-routing for Line 197. The combined ridership for LA County Fair service was 2,538 based on fare box data. Due to excessive heat during the first weekend of the Fair, overall attendance was lower than anticipated ridership. The 2017 fair season brought 1,231,243 visitors, a 5% decrease in overall attendance from 2016. Separated out, Line 196 had 964 passengers and Line 197 had 1,574 riders.

The 2018 LA County Fair created a new opportunity for Foothill Transit as the bus stops were relocated to be directly adjacent to the entrance gates. The 2018 Fair season brought the first ever theme to the LA County Fair with the celebration of Route 66. The 2018 fair season brought 1,251,209 visitors, a 2% increase from the previous year.

Separated out, Line 196 had 831 passengers and Line 197 had 1,908.

Ridership Figures for the Three Years of the Fair Service

	Year - 2016	Year 2 - 2017	Year 3 - 2018
Line 196	1,003	964	831
Line 197	1,671	1,574	1,908
Total	2,674	2,538	2,739

One goal of the service was to leverage transfers from the Gold Line extension, based on the results of the conducted surveys, the service succeeded showing 41% of those who rode Line 196 started their trips on the Gold Line. The next highest mode of transportation was driving, then walking, and finally transferring from another Foothill Transit line.

AGENDA ITEM #3

MSRC Contracts Administrator's Report

MSRC Agenda Item No. 3

DATE: June 20, 2019

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from April 25 to May 29, 2019.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2016-18 Work Program

On July 8, 2016, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved three awards under the Event Center Transportation Program and one award for a Regional Active Transportation Partnership Program. These contracts are executed.

On January 6, 2017, the SCAQMD Governing Board approved an award for development, hosting and maintenance of a new MSRC website. This contract is executed.

On April 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On June 2, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On July 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On September 1, 2017, the SCAQMD Governing Board approved one award under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are executed.

On October 6, 2017, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are executed.

On December 1, 2017, the SCAQMD Governing Board approved sole source awards for a Hydrogen Infrastructure Partnership Program, for a Southern California Future Communities Partnership Program, and for electric vehicle charging infrastructure planning analysis. These contracts are executed. The MSRC has replaced the award to the California Energy Commission with a Program Opportunity Notice for the Hydrogen Infrastructure Partnership Program.

On February 2, 2018, the SCAQMD Governing Board approved one award under the Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, four awards under the Local Government Partnership Program, and two awards under the County Transportation Commission Partnership Program. These contracts are executed.

On March 2, 2018, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, and one award under the Local Government Partnership Program. These contracts are executed.

On April 6, 2018, the SCAQMD Governing Board approved one award under the Natural Gas Infrastructure Program and eight awards under the Local Government Partnership Program. These contracts are executed.

On May 4, 2018, the SCAQMD Governing Board approved twenty-seven awards under the Local Government Partnership Program and one award under the County Transportation Commission Partnership Program. These contracts are with the SCAQMD Board Chair for signature or executed.

On June 1, 2018, the SCAQMD Governing Board approved six awards under the Local Government Partnership Program, one award under the Natural Gas Infrastructure Program, and one award under the County Transportation Commission Partnership Program. These contracts are with the prospective contractor for signature or executed.

On July 6, 2018, the SCAQMD Governing Board approved nine awards under the Local Government Partnership Program. These contracts are with the prospective contractor for signature or executed.

On September 7, 2018, the SCAQMD Governing Board approved nineteen awards under the Local Government Partnership Program, three awards under the County Transportation Commission Partnership Program, one award under the Major Event Center Transportation Program, and twenty awards under the Natural Gas Infrastructure Program. These contracts are under development, with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On October 5, 2018, the SCAQMD Governing Board approved forty-eight awards under the Local Government Partnership Program and one award under the Hydrogen Infrastructure Program. These contracts are under development, with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On November 2, 2018, the SCAQMD Governing Board approved two awards under the Local Government Partnership Program. These contracts are with the prospective contractor for signature or executed.

2018-21 Work Program

On April 5, 2019, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is under development.

Work Program Status

Contract Status Reports for work program years with open and/or pending contracts are attached.

FY 2007-08 Work Program Contracts

3 contracts from this work program year are open; and one is in “Open/Complete” status.

FY 2007-08 Invoices Paid

One invoice in the amount of \$200,000.00 was paid during this period.

FY 2010-11 Work Program Contracts

2 contracts from this work program year are open; and 24 are in “Open/Complete” status.

FY 2010-11 Invoices Paid

No invoices were paid during this period.

FY 2011-12 Work Program Contracts

8 contracts from this work program year are open, and 24 are in “Open/Complete” status.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

22 contracts from this work program year are open, and 28 are in “Open/Complete” status. One replacement contract is pending execution.

FYs 2012-14 Invoices Paid

One invoice in the amount of \$35,089.03 was paid during this period.

FYs 2014-16 Work Program Contracts

55 contracts from this work program year are open, and 24 are in “Open/Complete” status. 3 contracts passed into “Open/Complete” status during this period: City of San Fernando, Contract #ML16076 – Install EV Charging Infrastructure; Walnut Valley Unified School District, Contract #MS16097 – Expand CNG Station and Modify Maintenance Facility; and Nasa Services, Inc., Contract #MS16102 – Construct Limited Access CNG Station. Two replacement contracts are pending execution.

FYs 2014-16 Invoices Paid

4 invoices totaling \$876,545.25 were paid during this period.

FYs 2016-18 Work Program Contracts

113 contracts from this work program year are open, and 3 are in “Open/Complete” status. One contract passed into “Open/Complete” status during this period: City of Beaumont, Contract #ML18062 – Purchase One Heavy-Duty Near-Zero Emission Vehicle.

7 invoices totaling \$300,814.23 were paid during this period.

Administrative Scope Changes

One administrative scope change was initiated during the period of April 25 to May 29, 2019:

- City of Chino, Contract #ML18056 (Install EV Charging Stations) – Change specifications from stations to ports

AGENDA ITEM #5

FY 2019-20 MSRC Administrative Budget

MSRC Agenda Item No. 5

DATE: June 20, 2019

FROM: Naveen Berry

SUBJECT: FY 2019-20 Administrative Budget

SYNOPSIS: As part of the annual MSRC budget, administrative costs are limited to 6.25 percent of the annual MSRC portion of the AB 2766 revenues. Each year, an administrative budget is prepared. For FY 2019-20, the projected administrative costs are \$782,049 against a cap of \$1,018,750.

RECOMMENDATION(S): The MSRC-TAC reviewed the attached FY 2019-20 Administrative Budget and recommends approval.

WORK PROGRAM IMPACT: Seventy-five (75) percent of the technical advisor's contract, or an estimated amount of \$116,667, is chargeable to the FY 2019-20 Work Program. There are no other work program impacts.

BACKGROUND:

California Health & Safety Code, Section 44233, limits the administrative expenses for the MSRC to not more than 6.25 percent of its annual AB 2766 revenues. Each year, an administrative budget is prepared for review and approval by the MSRC.

DISCUSSION:

The proposed FY 2019-20 Administrative Budget is \$782,049 as shown in the attachment. The projected 6.25 percent administrative cap is \$1,018,750, leaving a margin of \$236,701. The following elements apply to these projections:

(1) Staff Salaries:

Costs are projected for three full-time staff positions (one Program Supervisor and two Contracts Assistants), and a part time position (Senior Administrative Secretary).

(2) Staff Administrative Support

SCAQMD charges MSRC for certain support functions provided to the MSRC. This includes legal, financial, and contractual support.

(3) Burdened Rates:

SCAQMD charges MSRC burdened rates for its staff positions and other administrative support personnel. The fully burdened hourly rate reflects the FY 2019-20 proposed overhead rates and the existing SCAQMD labor agreement resulting in an increase of \$18,811 in staffing costs.

(4) Miscellaneous Direct Costs:

These costs include: (1) 25 percent of the technical advisor's contract costs, in an estimated amount of \$38,889; (2) annual travel costs of \$2,500; (3) \$5,000 for conference related expenses and (4) miscellaneous expenses, such as printing, mailing, refreshments, etc., in the amount of \$48,500.

(5) Revenues:

Based on receipts for the AB 2766 program, the revenue projection has been revised to reflect the current trend in revenue collections.

In summary, the projected FY 2019-20 Administrative Budget reflects the best and most reasonable cost estimates available at this time.

AGENDA ITEM #6

Contract Modification Request by
City of Long Beach

MSRC Agenda Item No. 6

DATE: June 20, 2019

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Modified Statement of Work and 29-Month Term Extension by City of Long Beach, Contract #ML16017

SYNOPSIS: The City requests to substitute a number of specific vehicles. The City also requests to reduce the total number of heavy-duty vehicles from 19 to 17. Lastly, the City requests a 29-month contract term extension due to the changes in vehicle models and types, as part of the FYs 2014-16 Local Government Match Program.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommends approval

ATTACHMENTS: Contractor's letter requesting modification

DISCUSSION:

Contractor: **City of Long Beach**

Project Title: Purchase 50 Medium-Duty and 19 Heavy-Duty Natural Gas Vehicles and Install CNG Station

MSRC Funding: \$1,445,400

Project Term: February 2, 2016 to August 4, 2023

Current Request: Reduce number of vehicles, substitute vehicles, and 29-month term extension

Previous Requests: Increase number of vehicles and substitute vehicles

Project Description: The City was originally awarded funding to purchase 48 medium-duty and 16 heavy-duty natural gas vehicles and install a CNG Station. Contract #ML16017 was executed to effectuate the award, and subsequently modified to increase the number of vehicles to 50 medium-duty and 19 heavy-duty. \$1,131,400 has been paid to date on this contract; the CNG station and 46 vehicles have been placed into service.

Previous Request: The City indicated that due to changes in their vehicle replacement schedule, in addition to manufacturer production changes, the City wished to make several

changes to the list of vehicles to be purchased. Additionally, the substitutions were not strictly one-for one. The contract called for the purchase of 48 medium-duty and 16 heavy-duty vehicles. The City now proposed to purchase 50 medium-duty and 19 heavy-duty vehicles, with no change to the overall funding amount. They professed their understanding that they would be accepting a lower per-vehicle incentive in some cases. All the proposed substitute vehicles met FYs 2014-16 Local Government Match Program requirements. The MSRC considered and approved the City's request.

Contract Request: The City has communicated their desire for further changes to the list of vehicles to be purchased. The requested changes would actually reduce the number of heavy-duty vehicles from 19 to 17, with no change to the contract amount. Normally, the MSRC would not consider a reduction in scope without a corresponding reduction in value. However, should the MSRC approve the City's request, the City would still be purchasing more vehicles than originally proposed, for the same amount of funding originally proposed. Thus it was deemed that the modification could be permissible at the MSRC's discretion.

The City further requests a 29-month term extension to accommodate the changes in vehicle models and types.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

Diamond Bar, CA 91765

Re: Contract #ML 16017 – Quarterly Report

Dear Ms. Ravenstein:

The City of Long Beach hereby submits its 8th quarterly report for grant funds under the MSRC Local Government Match Program 2015.

The grant provides funding of \$945,400 for acquisition of CNG-fueled vehicles. We submitted and received payment for \$601,400 in previous quarters. We are now submitting a request for payment for one heavy-duty CNG vehicle previously purchased. The remaining balance is \$314,000 after submittal of the \$30,000 reimbursement.

Enclosed you will find our request for a second grant amendment to accommodate changes in vehicle models and types. These changes will not impact the grant funds as previously identified. A contract term extension to December 31, 2025 will be needed to cover the full five years of vehicle operation required.

Should you need any additional documentation to process our reimbursement request, please contact Patti Mobile, Administrative Analyst. She can be reached at (562) 570-5403 or via email at patti.mobile@longbeach.gov.

We look forward to working together to clean the air in California.

Sincerely,

Dan Berlenbach, Manager
Fleet Services Bureau

AGENDA ITEM #7

**Contract Modification Request by
Southern California Association of Governments**

MSRC Agenda Item No. 7

DATE: June 20, 2019

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Modified Project List and Ten-Month No-Cost Term Extension by Southern California Association of Governments (SCAG), Contract #MS18002

SYNOPSIS: SCAG requests to decrease the scope and value of the Arrow Highway event. SCAG proposes to utilize the cost savings to fund an additional event in Long Beach. Additionally SCAG requests a ten-month term extension to accommodate the substitution. Lastly, SCAG requests to reduce the scope of some of the co-funding projects, as part of the FYs 2014-16 Regional Active Transportation Program.

FINANCIAL IMPACT: If the MSRC approves the requested changes, total co-funding would be reduced from \$3,681,185 to \$3,325,795. This would still exceed the required amount of \$2,500,000.

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommends approval

ATTACHMENTS: Contractor's letter requesting modification and proposed modified project list

DISCUSSION:

Contractor: **Southern California Association of Governments**
Project Title: "Go Human" Regional Active Transportation Program
MSRC Funding: \$2,500,000
Project Term: June 9, 2017 to December 30, 2019
Current Request: Substitute projects and ten-month term extension
Previous Requests: Substitute projects and seven-month term extension; add matching projects and six-month term extension

Project Description: The MSRC allocated \$2.5 million to partner with SCAG on their broad-based regional active transportation outreach, education and demonstration program dubbed "Go Human". The MSRC's allocation was based upon SCAG's commitment to provide matching funds of at least an equivalent amount. Additionally, 80% of the MSRC's contribution was to be split equally amongst projects in the Los Angeles, Orange, Riverside, and San Bernardino Counties, with the remainder of the MSRC's funding awarded competitively. Contract

#MS18002 was executed to effectuate the award, and the MSRC approved the specific list of projects in August 2017. Some of the individual projects have been completed; \$419,112 has been paid to date on this contract.

Previous Requests: SCAG indicated that some cities had opted out of the program. In keeping with the MSRC's specified geographic funding split, SCAG identified substitute projects within the same counties. SCAG also requested a seven-month term extension to accommodate the substitutions as well as some delays in their matching projects. The MSRC approved the requests. Subsequently, SCAG requested to add two matching projects to the approved list in order to expedite reimbursement, as well as a six-month term extension to provide schedule flexibility for partner cities. The MSRC approved the requests.

Contract Request: SCAG indicates that the original scope for the Arrow Highway event included a Complete Streets demonstration in partnership with San Dimas, La Verne, Pomona, Glendora, the San Gabriel Valley COG and affiliated cities. Due to some identified public safety concerns, the event has been scaled down to San Dimas only, with a corresponding reduction in budget from \$256,500 to \$130,000. In keeping with the MSRC's specified geographic funding split, SCAG has identified a project within the same county and proposes to utilize the cost savings from the Arrow Highway project to fund a Complete Streets demonstration in Long Beach. SCAG further requests a ten-month term extension to accommodate the substitution.

Lastly, SCAG states that there have been changes to the event budgets for some of the co-funding projects. These projects are not being reimbursed by the MSRC, but count towards the required matching funds of at least \$2,500,000. SCAG is requesting to revise the scope and budget of the Greater El Monte Bike-Friendly Business Program in order to ensure timely completion. Two other projects, San Bernardino Safe Routes to School and Disadvantaged Communities Planning Program, were determined to have components outside of South Coast AQMD jurisdiction. SCAG is requesting to reduce their scopes and budgets to exclude the ineligible activities. As a result of these changes, total co-funding would be reduced from \$3,681,185 to \$3,325,795. This would still exceed the requirement; the co-funding in the original approved project list was \$2,501,187.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

Diamond Bar, CA 91765

Re: Amendment Request Contract MS18002B

Dear Ms. Ravenstein:

SCAG would like to request a contract amendment for contract number MS 18002B to update several event budgets, the project list and the contract termination date. To summarize, SCAG is submitting an amendment request to:

- *Reduce the scope and budget for Arrow Highway event.*

The original scope for Arrow Highway event included a Complete Street Demonstration in partnership with San Dimas, La Verne, Pomona, Glendora, the San Gabriel Valley COG and affiliated cities.

As SCAG finalized the event logistics, challenges associated with public safety concerns were raised, which led the event size to be scaled down. The revised scope would include a Go Human demonstration event in San Dimas only.

Due to the scope reduction, the event budget also needs to be updated proportionately. The revised event budget for the Arrow Highway is reduced from \$256,500 to \$130,000.

- *Add a new event, Long Beach, using the savings from the Arrow Highway event.*

In order to maximize the funding utilization and make a greater impact on VMT reduction, SCAG would like to re-purpose the savings from the Arrow Highway event and add another event, Long Beach, to the project list.

The proposed scope for Long Beach event as follows:

The City of Long Beach is interested in demonstrating complete streets infrastructure on Artesia Blvd. in North Long Beach as part of a Los Angeles Metro and Gateway Cities Council of Governments supported Complete Streets Plan. The city has completed a Complete Streets Plan, and to expedite implementation, the city is interested in demonstrating curb extensions, enhanced bicycle infrastructure, and other safety improvements focused on Artesia Blvd. from Atlantic Avenue to Orange Avenue. As a major arterial located in a disadvantaged neighborhood, the Artesia Blvd. corridor has potential to reduce vehicle miles traveled through implementation of bicycle and pedestrian infrastructure improvements, and improve conditions for walking and biking in an underserved neighborhood.

REGIONAL COUNCIL OFFICERS

President
Bill Jahn, Big Bear Lake

First Vice President
Randon Lane, Murrieta

Second Vice President
Rex Richardson, Long Beach

Immediate Past President
Alan D. Wapner, San Bernardino County Transportation Authority

COMMITTEE CHAIRS

Executive/Administration
Bill Jahn, Big Bear Lake

Community, Economic & Human Development
Peggy Huang, Transportation Corridor Agencies

Energy & Environment
Linda Parks, Ventura County

Transportation
Cheryl Viegas-Walker, El Centro

The proposed event budget is estimated to be \$126,500. The re-allocation of the event budgets stays within Los Angeles County and will not change the original distributions of the MSRC funds in the four counties (Los Angeles, Orange, Riverside and San Bernardino).

- *Revise event budgets for co-funding projects.*

- Event #10, Greater El Monte Bike-Friendly Business Program (From \$196,552 to \$50,000)

In order to facilitate timely spending and completion of the above-mentioned co-funding project, SCAG would like to request to revise the scope and budget to reflect demonstration component of the project only. The change will ensure timely completion of the project which aligns with the proposed MSRC contract term date.

- Event #22, San Bernardino Safe Routes to School (From \$637,000 to \$433,160)
- Event #28, Disadvantaged Communities Planning Program (From \$480,000 to \$400,000)

As SCAG and partner agencies refined the scope of the co-funding events listed above, some events have been identified to be located outside of the SCAQMD jurisdiction. Consequently, the co-funding scope and budget need to be reduced proportionately to exclude the ineligible activities.

The revised total budget of all co-funding projects is now \$3,325,795, which is still greater than the minimum co-funding amount of \$2,500,000.

- *Extend the contract term to October 30, 2020.*

The timeline request provides the necessary schedule flexibility for SCAG to implement the proposed additional event in Long Beach.

SCAG appreciates MSRC's consideration of these proposed amendments and looks forward to delivering high quality events with impactful outcomes as well as raising the visibility of our respective agencies and the innovative work being executed.

If you have any questions, please don't hesitate to contact Kana Sato-Nguyen at (213) 236-1865 or nguyenk@scag.ca.gov.

Regards,

Sarah Jepson
Acting Director of Planning

Southern California Association of Governments
Amended Implementation Program

	County	City	Project	Description	Fund Source	Funding Amount
1	LA	Walnut Park	Walnut Park Demonstration Project	The County of Los Angeles will host a demonstration project in the unincorporated community of Walnut Park. This project will test out active transportation roadway design elements such as bulb-outs, enhanced crosswalks, wider sidewalks/bikeway, and lane conversions on Pacific Blvd between Florence Avenue and Cudahy Street. The final deliverables include a written summary report of the event, and a guide for organizing and conducting future demonstration projects.	MSRC	\$ 170,000
2	LA	Culver City	Culver City Go Human	The City of Culver City is planning to host a demonstration event that complements community outreach efforts for the City's Bicycle and Pedestrian Plan and is the catalyst for improvements along a high priority corridor. The selected corridor will host a temporary demonstration project that will provide real time examples of possible improvements. The event will provide an opportunity for the City to collect feedback for permanent project development.	MSRC	\$ 86,666
3	LA	La Canada Flintridge	La Canada Flintridge Go Human	The City of La Canada Flintridge will implement an active transportation demonstration project to increase walking and biking in the city. The event will be the first active transportation related event in the City and will provide a strong foundation to implement initiatives to increase biking and walking. The event will include an open streets event and a temporary demonstration cycle track to inform residents and community leaders on best design practices.	MSRC	\$ 81,666
4	LA	Los Angeles City	Los Angeles Safe Routes To School Go Human	The City of Los Angeles will implement several demonstrations associated with implementation of its Safe Routes to School Strategic Plan. The event will illustrate future improvements, showcasing possible design solutions and soliciting comments from residents. The event will include programming to broadcast traffic safety messaging and active transportation encouragement initiatives	MSRC	\$ 80,000
5	LA	Baldwin Park	Baldwin Park Go Human Bike---Friendly Business Program	The Baldwin Park Go Human Bike---Friendly Business Program is designed to highlight the bicycle as not just a recreational activity but a sustainable development tool. The project will use the Go Human campaign and materials as a starting point to develop a localized, comprehensive Bicycle---Friendly Business District program in Baldwin Park that supports local retail, commercial and public institutions via educational outreach, encouragement programming, and materials development that can be utilized by other SGVCOG cities, and potentially by other SCAG member cities and counties.	MSRC	\$ 168,500
6	LA	West Covina	West Covina	The City of West Covina will implement an event to promote the city's goals of accommodating multi-modal mobility, accessibility and safety needs while improving access and circulation for all users of city streets. The city hopes to use the event to help in implementing a complete streets policy and to build support for the development of a Comprehensive Bicycle Master Plan and for completing the Glendora Avenue Revitalization Project.	MSRC	\$ 81,666
7	LA	San Gabriel Valley	Arrow Highway	The Arrow Highway Complete Street Demonstration Project will demonstrate installations of protected bike lanes and pedestrian safety improvements in the city of San Dimas. The demonstration is intended to educate and engage community members, showing how a proposed Complete Street may look, and allow feedback to shape the future project and create a concept for possible installation. The event is planned to draw a regional audience and engage neighboring cities to participate in the demonstration.	MSRC	\$ 130,000
8	LA	Long Beach DHHS	Long Beach Safe Routes to School Program	The Health Department will implement a Safe Routes to School (SRTS) Program that will target elementary schools where at least 80% of the population is eligible for free or reduce price meals. The goal is to decrease collisions and increase walking and biking to school by: -Implementing SRTS activities at up to 25 elementary schools -Training staff to facilitate bike and ped safety workshops at schools -Utilizing advertising & education strategies to encourage safe driving near schools	SCAG	\$ 250,000
9	LA	South El Monte	South El Monte Open Streets	The South El Monte Open Street event will encourage active transportation modes of bicycling and walking as means of transportation. Street closures will transform city streets into temporary non-motorized urban greenways, connecting South El Monte residents to local schools and community destinations. The open streets program is meant to highlight and complement ongoing/existing efforts to realize a more bike/pedestrian-friendly South El Monte and provide options for residents to walk and bike more to alleviate reliance on car use.	ATP-MSRC	\$ 275,000
10	LA	El Monte	Greater El Monte Go Human Bike-Friendly Business Program	The proposed project will demonstrate temporary curb extensions, pop-up parklets, bike corrals, etc. This demonstration event is a part of developing a localized, comprehensive Bicycle-Friendly Business program in the cities of El Monte and South El Monte. The project will support local retail, commercial and public institutions via educational outreach, interactive encouragement programming, and program materials that can be utilized by other SGVCOG cities, and potentially by other SCAG member cities.	SCAG-ATP	\$ 50,000

Southern California Association of Governments
Amended Implementation Program

	County	City	Project	Description	Fund Source	Funding Amount
11	LA	LA	LA DOT Vision Zero Program	Vision Zero works to provide for safer streets for all modes of transportation by creating education and awareness of traffic related deaths in order to change driving behavior. It also seeks to install infrastructure which increases the safety on the street for all users. These safer streets will also offer encouragement for more walking and biking. More people choosing active forms of transportation will reduce the amount of VMT and GHG emissions in the City.	ATP	\$ 350,000
12	OC	Orange County	Hazard Ave Demonstration Project	The Orange County Hazard Avenue event will demonstrate class IV bicycle facilities on Hazard Avenue. The event will allow the County to test the design and collect stakeholder input that will provide direction in final design. The event will also provide opportunities for the County and partnering cities to broadcast safety and encouragement messaging.	MSRC	\$ 200,000
13	OC	Costa Mesa	Merrimac Way Cycle Trac and Fairview Park Community Event	Project will host a cycle demonstration project on Merrimac Way for one month in order to gather feedback from residents and stakeholders. Fairview Park community event will provide information on how to travel to the park by using active transportation as well as provide information and encouragement for active transportation and Park active transportation amenities.	MSRC	\$ 160,000
14	OC	Buena Park	Beach Boulevard Open Streets	The event will implement an open streets event on Beach Boulevard in order to introduce place making concepts and strategies on to the corridor. The event could possibly include multiple jurisdictions that connects a several business district to each other as well as providing a direct connection to the beach. The project will commence a multi-community initiative to host open streets on a frequent basis as well as test innovative approaches to infrastructure design.	MSRC	\$ 140,000
15	OC	Santa Ana	City of Santa Ana - Pedestrian and Bicyclist Education Campaign	The project will increase the share of active transportation and remedy the share of potential safety hazards that contribute to bicycle and pedestrian fatalities. This will be done through advertisements, distribution of collateral materials, bicycle safety courses, saturation patrols, bicycle rodeos, safety fairs, and development of school curriculum. An event will be hosted to demonstrate planned improvements for residents and stakeholders to provide feedback and to learn about the project benefits.	SCAG-ATP	\$ 500,000
16	RIV	Wildomar	City of Wildomar Active Transportation Plan	The City of Wildomar will implement a one day open streets event that will include a temporary demonstration of a priority corridor identified through the concurrent Active Transportation Plan development process. The event will provide a robust and unique public engagement opportunity for the parallel Active Transportation Plan process development.	MSRC	\$ 100,000
17	RIV	Lake Elsinore	Go Human	The City of Lake Elsinore is proposing to host an open streets demonstration project that will serve the purpose of encouraging the use of active transportation, promoting pedestrian and bicycle safety and showcasing potential facility improvements. The event would close public streets to vehicular traffic and invite people to experience the street on foot and by bike, allowing them to experience what potential infrastructure changes could look and feel like and provide feedback to city staff.	MSRC	\$ 150,000
18	RIV	Riverside	Go Human	The City of Riverside would like to host an event to demonstrate possible active transportation improvements as part of future planning efforts.. The event will include at least one temporary demonstration event that will initiate community discussion on general active transportation encouragement efforts as well as promote possible infrastructure the city will consider in future improvements associated with high quality transit areas.	MSRC	\$ 150,000
19	RIV	La Quinta	Go Human	The City of La Quinta will implement an event in the La Quinta Village to provide education and public engagement opportunities about the benefits of complete streets, highlight ATP funded improvements in La Quinta Village, and provide a showcase of resident generated ideas for physical improvements in the area to address land use, mobility and health. The City hopes this event would help in creating a template for future public engagement efforts around land use and mobility planning.	MSRC	\$ 100,000
20	RIV	San Jacinto	Envision San Jacinto	Envision San Jacinto' Open Streets project is an opportunity to promote and educate residents about the benefits of safe, active transportation and demonstrate how proposed transportation improvements can make walking and biking a fun and viable form of transportation. Street closures along San Jacinto Ave. between Main and 7th Ave. will introduce Temporary Pop-Up roundabouts, mini-circles, and crosswalk pavement art, allowing participants to experience proposed transportation improvements.	SCAG	\$ 147,600
21	SBD	SBCTA	San Bernardino County Safe Routes to Schools Program	The project will implement active transportation events supporting the County's Safe Routes to School Program. The Program and events will implement education, encouragement, enforcement and evaluation at 25 schools. The project will host a implement multiple walking and bicycling events to educate students regarding safety and to increase the number of students walking and biking to school.	MSRC	\$ 250,000

Southern California Association of Governments
Amended Implementation Program

	County	City	Project	Description	Fund Source	Funding Amount
22	SBD	SBCTA	San Bernardino County Safe Routes to Schools Program	The project will implement active transportation events supporting the County's Safe Routes to School Program. The Program and events will implement education, encouragement, enforcement and evaluation at 17 schools. The project will host a implement multiple walking and bicycling events to educate students regarding safety and to increase the number of students walking and biking to school. (This is the matching component of the project listed above.)	SCAG-ATP	\$ 433,160
23	SBD	Chino	Go Human	The project will implement a temporary demonstration and open streets event that showcases future events outlined in the City's Bicycle and Pedestrian Master plan. The Event will survey residents and stakeholders to prioritize projects and refine design concepts. In addition, the event will broadcast safety information and encouragement messaging.	MSRC	\$ 125,000
24	SBD	Ontario	Go Human	The City of Ontario wishes to capitalize on completion of the G Street Crosstown Bike Route by conducting an open streets event in conjunction to encourage active transportation use and teach bike and pedestrian safety. These projects would also help in building community interest in biking, especially among children commuters and local residents, creating a framework for how to get public input on active transportation for future outreach efforts and connecting potential cyclists to local advocacy groups to provide support for active transportation.	MSRC	\$ 125,000
25	All	All	Go Human Advertising Campaign	This project will continue the successful a multimedia Go Human marketing campaign across Southern California. The campaign will address real and perceived safety issues and encourage additional trips by walking and bicycling to reduce vehicle miles traveled. Two rounds of media will be conducted over the spring and fall of 2018 targeting drivers, bicyclists and pedestrians.	SCAG-OTS	\$ 500,000
26	All	All	Go Human Project Manager	The Go Human Project manager will provide project oversight and management of program staff and consultants. Duties include day to day oversight of consultant tasks outlined in each consultant contract that pertain to advisory committee facilitation, public outreach, event planning, temporary installation design, programming coordination and day of logistics. The Project Manager will also oversee communications and marketing tasks implemented primarily by SCAG staff with supplemental assistance by consultants on a project by project basis.	SCAG	\$ 70,035
27	All	All	Go Human Loaner Program	The Go Human Loaner Program will expedite the process by which local agencies can deploy demonstrations in support of local planning efforts. The program will develop a smaller, more modularized kit of parts that can be leveraged by partners to deploy Go Human elements at city or county-organized events. Such a system is expected to increase the influence of the campaign by allowing more cities to deploy Go Human demonstrations, while also minimizing the administrative and logistical work.	SCAG-OTS	\$ 350,000
28	All	All	Disadvantaged Communities Planning Program	Host (5) Go Human Events as part of five (5) active transportation plans in disadvantaged communities that will "pilot" an innovative planning methodology to deliver low-cost, local plans across the region by leveraging regional planning tools (health/active transportation models and active transportation database).	SCAG-ATP	\$ 400,000
29	LA	Long Beach	Long Beach Demonstration Project	The project will demonstrate curb extensions, enhanced bicycle infrastructure, and other safety improvements focused on Artesia Blvd. from Atlantic Avenue to Orange Avenue. As a major arterial located in a disadvantaged neighborhood, the Artesia Blvd. corridor has potential to reduce vehicle miles traveled through implementation of bicycle and pedestrian infrastructure improvements, and improve conditions for walking and biking in an underserved neighborhood.	MSRC	\$ 126,500
TOTAL PROGRAM VALUE :						\$ 5,750,793

AGENDA ITEM #8

Contract Modification Request by
County of Los Angeles Department of Public Works

MSRC Agenda Item No. 8

DATE: June 20, 2019

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: One-Year Term Extension by County of Los Angeles, Contract #ML14023

SYNOPSIS: The County requests a one-year contract term extension due to internal processing and project filing delays and issues with contract capacity, as part of the FYs 2014-16 Local Government Match Program.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommends approval, contingent on the County providing documentation of construction contractor selection by April 20, 2020

ATTACHMENTS: Contractor's letter requesting modification

DISCUSSION:

Contractor: County of Los Angeles, Department of Public Works

Project Title: Upgrade Maintenance Facility in Westchester

MSRC Funding: \$230,000

Project Term: October 2, 2015 to September 1, 2019

Current Request: One-year term extension

Previous Requests: One-year term extension; one-year term extension

Project Description: The MSRC awarded the County \$230,000 to upgrade their Westchester maintenance facility to accommodate the maintenance of gaseous fueled vehicles. Project design is complete. Nothing has been paid to date on this contract.

Previous Requests: In 2017, the County communicated that they encountered unexpected compliance issues associated with the Americans with Disabilities Act and a potential need for hazardous materials abatement. The County requested a one-year contract term extension and it was processed administratively. In 2018, the County indicated that they experienced unanticipated setbacks in obtaining Building Department approval of the HVAC design. They also discovered that the project budget exceeds their original estimate by a substantial amount,

and they needed additional time to secure funding for the shortfall. The County requested a one-year contract term extension to complete the project. The MSRC considered and approved the County's request.

Contract Request: The County now states that internal processing and project filing delays, and issues with contract capacity, have further impeded progress on the project. The County requests a one-year term extension.

Subsequent to the MSRC-TAC meeting, the County provided further information in response to MSRC staff's inquiries. In addition to the above issues, the project was also delayed due to funding issues. The supplementary funding needed has been secured, the Board letter was approved in January 2019, and a contractor has been selected for project construction. Construction is projected to be complete by September 2019.

Recommendations: The MSRC-TAC reviewed the request and expressed concern that the lack of specificity concerning the reasons for the delay and current project status might be indicative of a lack of commitment to moving forward. The MSRC-TAC recommends approval of the request, contingent on the County providing documentation of construction contractor selection by April 20, 2020.

AGENDA ITEM #9

Contract Modification Request by
County of Los Angeles Department of Public Works

MSRC Agenda Item No. 9

DATE: June 20, 2019

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: One-Year Term Extension by County of Los Angeles, Contract #ML14024

SYNOPSIS: The County requests a one-year contract term extension due to internal processing and project filing delays and issues with contract capacity and bid process, as part of the FYs 2014-16 Local Government Match Program.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommends approval, contingent on the County providing documentation of construction contractor selection by April 20, 2020

ATTACHMENTS: Contractor's letter requesting modification

DISCUSSION:

Contractor: County of Los Angeles, Department of Public Works

Project Title: Upgrade Maintenance Facility in Baldwin Park

MSRC Funding: \$230,000

Project Term: October 2, 2015 to September 1, 2019

Current Request: One-year term extension

Previous Requests: One-year term extension; one-year term extension

Project Description: The MSRC awarded the County \$230,000 to upgrade their Baldwin Park maintenance facility to accommodate the maintenance of gaseous fueled vehicles. Project design is complete. Nothing has been paid to date on this contract.

Previous Requests: In 2017, the County communicated that they encountered unexpected compliance issues associated with the Americans with Disabilities Act and a potential need for hazardous materials abatement. The County requested a one-year contract term extension and it was processed administratively. In 2018, the County indicated that the setbacks in obtaining Building Department approval took even longer than previously thought. They also discovered that the project budget exceeded their original estimate by a substantial amount, and they

needed additional time to secure funding for the shortfall. The County requested a one-year contract term extension to complete the project. The MSRC considered and approved the County's request.

Contract Request: The County now states that internal processing and project filing delays, and issues with contract capacity and bid process, have further impeded progress on the project. The County requests a one-year term extension.

Subsequent to the MSRC-TAC meeting, the County provided further information in response to MSRC staff's inquiries. In addition to the above issues, the project was also delayed due to funding issues. The supplementary funding needed has been secured, the Board letter was approved in June 2019, and a contractor has been selected for project construction. Construction is projected to be complete by January 2020.

Recommendations: The MSRC-TAC reviewed the request and expressed concern that the lack of specificity concerning the reasons for the delay and current project status might be indicative of a lack of commitment to moving forward. The MSRC-TAC recommends approval of the request, contingent on the County providing documentation of construction contractor selection by April 20, 2020.

AGENDA ITEM #10

Consider Contract Value Increase and Additional Tasks by
Better World Group Advisors

MSRC Agenda Item No. 10

DATE: June 20, 2019

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Consider Additional Research and Outreach in Support FYs 2018-21 Work Program Development, Reallocation of Costs Between Tasks, and \$15,000 Contract Value Increase by Better World Group Advisors (BWG), Contract #MS16030

SYNOPSIS: At their May 2, 2019 meeting, the MSRC-TAC received an update on the research and outreach conducted by BWG on behalf of the MSRC. BWG's initial efforts focused on assessing other funding providers' active and potential programs that would most closely align with the MSRC's priorities for their Regional Goods Movement Program. BWG's report included recommended next steps to further develop and explore relationships with the first entities contacted as well as additional collaborative opportunities to be pursued. BWG has provided a proposal to implement this second phase of research and outreach for a total estimated cost of \$25,165.

RECOMMENDATION: The MSRC-TAC reviewed the proposal and recommends approval.

WORK PROGRAM IMPACT: It is projected that approximately \$1,500 is available under the existing contract's task for participation in meetings. There is also approximately \$8,500 available for reallocation from the task for conducting Work Program development workshops. An additional \$15,000 would need to be allocated as part of the FYs 2018-21 Work Program should the MSRC choose to accept BWG's proposal.

Discussion: At their May 2, 2019 meeting, the MSRC-TAC received an update on the research and outreach conducted by BWG on behalf of the MSRC. BWG's initial efforts focused on assessing other funding providers' active and potential programs that would most closely align with the MSRC's priorities for their Regional Goods Movement Program.

BWG's report included recommended next steps to further develop and explore relationships with the first entities contacted as well as additional collaborative opportunities to be pursued,

both for potential investments as well as to possibly influence future state and regional investments. BWG also suggested conducting meetings with private sector trucking and warehouse companies to get a better picture of investment gaps and opportunities.

BWG has provided a proposal to implement this second phase of research and outreach for a total estimated cost of \$25,165. It is projected that approximately \$1,500 is available under the existing contract's task for participation in meetings. There is also approximately \$8,500 available for reallocation from the task for conducting Work Program development workshops. An additional \$15,000 would need to be allocated as part of the FYs 2018-21 Work Program should the MSRC choose to accept BWG's proposal.

Receommendations: The MSRC-TAC reviewed the proposal and recommends approval.
