

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
MSRC AGENDA**

Thursday, April 16, 2020 at 2:00 p.m.

Pursuant to Governor Newsom's Executive Orders N-25-20 (March 12, 2020) and N-29-20 (March 17, 2020), the MSRC meeting will only be conducted via video conferencing and by telephone. Please follow the instructions below to join the meeting remotely.

TELECONFERENCE LOCATION

Per Governor Newsom's Executive Order N-25-20 (March 12, 2020), teleconference locations do not need to be disclosed nor open to the public.

INSTRUCTIONS FOR ELECTRONIC PARTICIPATION

Zoom Meeting Link: <https://scaqmd.zoom.us/j/830961630>

Meeting ID: 830 961 630

Conference Call-In Number: 1-669-900-6833

Meeting ID: 830 961 630

Audience will be allowed to provide public comment through telephone or Zoom connection.

The public may provide comments during the meeting following the directions below. **Once you raise your hand to provide a comment, you will be added to the speaker list and your name will be called when it is your turn to comment. The host will then unmute your line.**

Directions for Video ZOOM on a DESKTOP/LAPTOP or a SMARTPHONE:

- If you would like to make a comment, please click on the "Participants" button on the bottom of the screen.
- On a **DESKTOP/LAPTOP**: A list of participants will appear on the right side of the screen. At the bottom of the list, please click on the grey "Raise Hand" button.
- On a **SMARTPHONE**: A new screen will pop up with the list of participants. Look for the "Raise Hand" button on the screen and click the button.
- This will signal to the host that you would like to provide a comment and you will be added to the list.

Directions for TELEPHONE line only:

- If you would like to make a comment, please dial *9 on your keypad to signal that you would like to comment.

Members of the public may address this body concerning any agenda item before or during consideration of that item (Gov't Code Section 548543.(a)). If you wish to comment on an agenda item or during the public comment period, please "raise your hand" on Zoom or dial *9 on your phone. All agendas for regular meetings are posted at District Headquarters, 21865 Copley Drive, Diamond Bar, California, at least 72 hours in advance of the regular meeting. Speakers may be limited to three (3) minutes each.

CALL TO ORDER

Opening Comments: Larry McCallon, MSRC Chair
Other MSRC Members
Naveen Berry, Asst. DEO/Science & Technology Advancement

STATUS REPORT

Clean Transportation Policy Update

Ravenstein

The Clean Transportation Policy Update provides information on key legislative and regulatory initiatives of potential interest to the MSRC. The report can be viewed at www.cleantransportationfunding.org.

CONSENT CALENDAR (Items 1 through 4)

Information Only - Receive and File

1. MSRC Contracts Administrator's Report

Ravenstein,
p. 1

This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from February 27 through April 8, 2020.

2. Financial Report on AB 2766 Discretionary Fund

Kampa,
p. 32

- Financial Report for March 2020.
- Results of Biennial AB 2766 Audit for FYs 2015-16 and 2016-17

For Approval – As Recommended

3. Consider Nine-Month Term Extension by City of Azusa, Contract #ML16032 (\$474,925 – Implement "Complete Streets" Pedestrian Access Project)

Ravenstein,
p. 35

The City requests a nine-month contract term extension due to delays associated with the larger project of which this is a part, and to align construction with Azusa Pacific University's summer break to minimize impacts on pedestrian and vehicular traffic.

THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL

4. Consider Twenty-One Month Contract Term Extension by Riverside County Transportation Commission (RCTC), Contract #MS14059 (\$1,250,000 – Implement Various Signal Synchronization Projects)

Ravenstein, p. 39

RCTC requests a twenty-one month contract term extension due to the Coachella Valley Associated Governments' Regional Synchronization Project taking longer than anticipated due to the necessary coordination with the numerous jurisdictions, the wide variety of existing equipment, and planning for synchronization that will be utilizing rapidly changing technology. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

ACTION CALENDAR (Items 5 through 8)

5. Consider Modifications to the MSRC Operational Policies and Procedures Related to the Regional Rideshare Agency Representative

Ravenstein, p. 44

The enabling legislation for the MSRC calls for the members of the MSRC to select the Regional Rideshare Agency (RRA) which will designate its MSRC representative. The proposed modifications to the MSRC Operational Policies and Procedures would establish a rotation of the RRA position among the four County Transportation Commissions on the MSRC. **THE MSRC-TAC DID NOT CONSIDER THIS ITEM**

FYs 2016-18 WORK PROGRAM

6. Consider Recommendation Regarding Extending Submittal Deadline Under the Hydrogen Infrastructure Partnership Program

Ravenstein, p. 49

To date, the MSRC has awarded \$1,000,000 under its FYs 2016-18 Hydrogen Infrastructure Partnership Program, which currently has a concept description submittal deadline of April 10, 2020. Several other entities have indicated interest in the program, particularly in recent weeks since the California Energy Commission released their Clean Transportation Program for Hydrogen Refueling Infrastructure. However, many of these same potential partners have indicated that they need more time to develop large scale projects for submittal to the MSRC. This item is for the MSRC to consider extending the submittal deadline to April 9, 2021. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

FYs 2018-21 WORK PROGRAM

7. Consider Partnership with South Coast AQMD on Implementation of a Voucher Incentive Program (VIP) Plus Up Incentive

Ravenstein, p. 57

Using funds provided by the California Air Resources Board, South Coast AQMD implements the VIP to encourage the replacement of older, higher-polluting vehicles with newer, lower-emission vehicles which meet the 0.2 g/bhp-hr standard. The program features a rapid response time and is limited to small fleets of 10 or fewer vehicles. There is an opportunity to partner with South Coast AQMD to support vehicle owners in going a step further to achieve emissions of 0.02 g/bhp-hr or less. Incentives would range up to a maximum of \$100,000 for Class 7 and 8 trucks. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL WITH AN INITIAL FUNDING ALLOCATION OF \$5,000,000 AND A SUNSET DATE OF DECEMBER 31, 2020**

8. Update on MSRC’s Regional Goods Movement Program and Consider Direction of Solicitations and Authorization of Submissions **Gorski**

This item will provide a brief update on happenings related to the MSRC’s Regional Goods Movement Program. The report may include updates on meetings with prospective stakeholders and targeted timeframes for bringing items to the MSRC for consideration. Based upon the update, the MSRC may elect to direct the development of solicitation documents or authorize the submission of sole-source proposals. In particular, SCAG requests permission to submit a sole-source proposal. **THE MSRC-TAC DID NOT CONSIDER THIS ITEM. No written material.**

OTHER BUSINESS

9. **Any member of the committee, on his or her own initiative or in response to questions posed by the public, may ask a question for clarification, may make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter, or may take action to direct staff to place a matter of business on a future agenda. (Gov’t Code Section 54954.2)* **McCallon**

PUBLIC COMMENT PERIOD - (Public Comment on Non-Agenda Items, Pursuant to Government Code Section 54954.3)

At the end of the regular meeting agenda, an opportunity is provided for the public to speak on any subject within the Committee’s authority that is not on the agenda. Speakers may be limited to three (3) minutes each.

ADJOURNMENT

NEXT MEETING: Date: May 21, 2020, 2:00 p.m., Location TBD

Americans with Disabilities Act and Language Accessibility

Disability and language-related accommodations can be requested to allow participation in the MSRC Meeting. The agenda will be made available, upon request, in appropriate alternative formats to assist persons with a disability (Gov’t Code Section 54954.2(a)). In addition, other documents may be requested in alternative formats and languages. Any disability or language-related accommodation must be requested as soon as practicable. Requests will be accommodated unless providing the accommodation would result in a fundamental alteration or undue burden to the District. Please contact Ms. Penny Shaw Cedillo at (909) 396-3179 from 7:00 a.m. to 5:30 p.m., Tuesday through Friday, or send the request to pcedillo@aqmd.gov.

Pursuant to SB 343

All documents (i) constituting non-exempt public records, (ii) relating to an item on an agenda for a regular meeting, and (iii) having been distributed to at least a majority of the Committee after the Agenda is posted, are available prior to the meeting for public review at the South Coast Air Quality Management District, Public Information Center, 21865 Copley Drive, Diamond Bar, CA 91765.

Contacts: Cynthia Ravenstein, MSRC Contracts Administrator - (909) 396-3269
Ray Gorski, MSRC Technical Advisor – (909) 396-2479
Penny Shaw Cedillo, MSRC Administrative Liaison – (909) 396-3179

AGENDA ITEM #1

MSRC Contracts Administrator's Report

MSRC Agenda Item No. 1

DATE: April 16, 2020

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from February 27 to April 8, 2020.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2016-18 Work Program

On July 8, 2016, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved three awards under the Event Center Transportation Program and one award for a Regional Active Transportation Partnership Program. These contracts are executed.

On January 6, 2017, the SCAQMD Governing Board approved an award for development, hosting and maintenance of a new MSRC website. This contract is executed.

On April 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On June 2, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On July 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On September 1, 2017, the SCAQMD Governing Board approved one award under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are executed.

On October 6, 2017, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are executed.

On December 1, 2017, the SCAQMD Governing Board approved sole source awards for a Hydrogen Infrastructure Partnership Program, for a Southern California Future Communities Partnership Program, and for electric vehicle charging infrastructure planning analysis. These contracts are executed. The MSRC has replaced the award to the California Energy Commission with a Program Opportunity Notice for the Hydrogen Infrastructure Partnership Program.

On February 2, 2018, the SCAQMD Governing Board approved one award under the Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, four awards under the Local Government Partnership Program, and two awards under the County Transportation Commission Partnership Program. These contracts are executed.

On March 2, 2018, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, and one award under the Local Government Partnership Program. These contracts are executed.

On April 6, 2018, the SCAQMD Governing Board approved one award under the Natural Gas Infrastructure Program and eight awards under the Local Government Partnership Program. These contracts are executed.

On May 4, 2018, the SCAQMD Governing Board approved twenty-seven awards under the Local Government Partnership Program and one award under the County Transportation Commission Partnership Program. These contracts are executed.

On June 1, 2018, the SCAQMD Governing Board approved six awards under the Local Government Partnership Program, one award under the Natural Gas Infrastructure Program, and one award under the County Transportation Commission Partnership Program. These contracts are executed.

On July 6, 2018, the SCAQMD Governing Board approved nine awards under the Local Government Partnership Program. These contracts are executed.

On September 7, 2018, the SCAQMD Governing Board approved nineteen awards under the Local Government Partnership Program, three awards under the County Transportation Commission Partnership Program, one award under the Major Event Center Transportation Program, and twenty awards under the Natural Gas Infrastructure Program. These contracts are with the prospective contractor for signature or executed.

On October 5, 2018, the SCAQMD Governing Board approved forty-eight awards under the Local Government Partnership Program and one award under the Hydrogen Infrastructure Program. These contracts are with the prospective contractor for signature or executed.

On November 2, 2018, the SCAQMD Governing Board approved two awards under the Local Government Partnership Program. These contracts are executed.

2018-21 Work Program

On April 5, 2019, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On September 5, 2019, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is with the prospective contractor for signature.

On December 6, 2019, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is undergoing internal review.

Work Program Status

Contract Status Reports for work program years with open and/or pending contracts are attached.

FY 2010-11 Work Program Contracts

One contract from this work program year is open; and 14 are in “Open/Complete” status. One contract closed during this period: City of Torrance Transit Department, Contract #MS11071 – Install New Limited Access CNG Station.

FY 2010-11 Invoices Paid

No invoices were paid during this period.

FY 2011-12 Work Program Contracts

6 contracts from this work program year are open, and 15 are in “Open/Complete” status. 2 contracts closed during this period: City of Los Angeles Dept. of General Services, Contract #ML12020 – Purchase 15 Heavy-duty Natural Gas Vehicles; and Custom Alloy Light Metals, Contract #MS12063 – Install New Limited Access CNG Station.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

17 contracts from this work program year are open, and 32 are in “Open/Complete” status. One contract passed into “Open/Complete” status during this period: Rialto Unified School District, Contract #MS14076 – Install New Public Access CNG Station.

FYs 2012-14 Invoices Paid

No invoices were paid during this period.

FYs 2014-16 Work Program Contracts

43 contracts from this work program year are open, and 30 are in “Open/Complete” status. Two contracts closed during this period: City of Murrietta, Contract #ML16061 – Install EV Charging Infrastructure; and City of Yucaipa, Contract #ML16079 – Purchase Electric Lawnmower.

FYs 2014-16 Invoices Paid

One invoice in the amount of \$371,898.00 was paid during this period.

FYs 2016-18 Work Program Contracts

128 contracts from this work program year are open, and 21 are in “Open/Complete” status. 4 contracts passed into “Open/Complete” status during this period: City of Westminster, Contract #ML18037 – Install EV Charging Infrastructure and Purchase up to Three Light-Duty ZEVs & One Medium-Duty ZEV; City of Downey, Contract #ML18049 – Install EV Charging Infrastructure; City of Irwindale, Contract #ML18160 – Purchase Two Light-Duty ZEVs; and City of Hermosa Beach, Contract #ML18012 – Install New Limited Access CNG Station.

9 invoices totaling \$968,025.48 were paid during this period.

FYs 2018-21 Work Program Contracts

2 contracts from this work program year are open.

One invoice in the amount of \$3,787.30 was paid during this period.

Administrative Scope Changes

3 administrative scope changes were initiated during the period of February 27 to April 8, 2020:

- Universal Waste Systems, Inc., Contract #MS18122 (Install Limited Access CNG Station w/RNG) – One-year term extension
- City of Azusa, Contract #ML16032 (Implement “Complete Streets” Project) – Three-month term extension
- Riverside County Transportation Commission, Contract #MS14059 (Signal Synchronization Partnership Program) – Three-month term extension

FY 2018-21 Totals	\$ 12,229,376	\$ 2,417,514	\$ 3,044,902	\$ 6,766,960

- (d) Estimated Revenue is the FY2019-20 and FY 2020-21 full year estimates less revenue received. Any change to Health & Safety Code 44243 could affect future revenue. The potential economic impact of COVID-19 could change revenue projections.
- (e) Estimated Available for the FY 2018-2021 Work Program does not include the targeted funding level of \$20M for the Inland Ports Zero/Near-Zero Warehouse and Distribution Facilities PON.

**Mobile Source Air Pollution Reduction Review Committee Fund
Independent Audit for the Fiscal Years Ended 2016 and 2017 Audit Results Summary**

Audit of the MSRC Fund (Report on Applying Agreed Upon Procedures):

- **No Audit Findings Reported**
 - It was noted that during the period of the audit that the MSRC-TAC had the following vacant positions: Mechanical Engineer; SCAG Representative, Cities of Los Angeles County Representative, Regional Rideshare Agency Representative, and the Air Pollution Control Expert.

Audit of 10 Contracts (Report on Applying Agreed Upon Procedures):

- **Contracts Audited:**
 1. **ML16017 – The City of Long Beach** – Purchase 48 Medium-Duty and up to 16 Heavy Duty CNG Vehicles and Install CNG Stations – **no findings**.
 2. **ML16020 – The City of Pomona** – Install Bicycle Detection Systems – **no findings**.
 3. **ML16026 – The City of Downey** – Install EV Charging Stations - **no findings**.
 4. **ML16028 – The City of Azusa** – Enhance Existing Class I Bikeway – **no findings**.
 5. **ML16070 – The City of Beverly Hills** – Purchase 3 Heavy-Duty CNG Vehicles – **no findings**.
 6. **MS16099 – Foothill Transit** – Provide Special Bus Services to the Los Angeles County Fair – **no findings**.
 7. **MS16103 – Arrow Services, Inc.** – Construct a Limited-Access CNG Station – **no findings**.
 8. **MS16105 – Huntington Beach Union High School District** – Expansion of Existing CNG Infrastructure – **no findings**.
 9. **MS16114 – The City of Norwalk** – Repower of Up To 3 Transit Buses – **no findings**.
 10. **MS16118 – OmniTrans** – CNG Fuel Infrastructure – **no findings**.

Note – Upon request the audit reports can be provided by email (.pdf file).

AGENDA ITEM #3

Contract Modification Request by
City of Azusa

MSRC Agenda Item No. 3

DATE: April 16, 2020

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Nine-Month Term Extension by City of Azusa, Contract #ML16032

SYNOPSIS: The City requested a one-year contract term due to delays associated with the larger project of which this is a part, and to align construction with Azusa Pacific University’s summer break to minimize impacts on pedestrian and vehicular traffic, as part of the FYs 2014-16 Local Government Match Program.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommended approval.

ATTACHMENTS: Contractor’s letter requesting modification

DISCUSSION:

Contractor: City of Azusa

Project Title: Implement “Complete Streets” Pedestrian Access Project

MSRC Funding: \$474,925

Project Term: September 9, 2016 to April 8, 2020

Current Request: One-year term extension

Previous Requests: One-year term extension

Project Description: The MSRC awarded the City \$474,925 to realign and enhance the intersection of East Foothill Boulevard and Alostia Avenue in order to encourage pedestrian traffic as part of a “Complete Streets” project. The City is also to construct sidewalks to close gaps at four locations in the vicinity of the intersection. No construction has been completed and nothing has been paid to date.

Previous Request: The City indicated that subsequent to execution of the contract, it was discovered that the original design would require relocation of some utilities. The City opted instead to pursue a redesign which would avoid this relocation, but needed additional time to do so. The City requested a one-year contract term extension. This modification was processed administratively.

Contract Request: The City states that the improvements specified in the MSRC contract form one portion of a larger scale project. That larger project was delayed so that a construction agreement was not executed until October 2019. The MSRC-supported elements of the project are located adjacent to Azusa Pacific University (APU). Work on these items is not proposed to commence until May 2020, during APU's summer break, to minimize impacts on pedestrian and vehicular traffic. The City requests a one-year contract term extension.

Recommendations: At their March 5, 2020 meeting, the MSRC-TAC reviewed the City's request and recommended approval.

Due to the closure of the South Coast AQMD offices to the public in light of the COVID-19 situation, the March 19, 2020 MSRC meeting was cancelled. Because Contract #ML16032 was going to terminate on April 8, 2020, a three-month contract term extension was processed administratively in order to allow sufficient time for the MSRC to consider the remainder of the extension request. Therefore, an additional nine-month contract term extension would fulfill the City's request.

RE: ONE-YEAR TERM EXTENSION REQUEST FOR MSRC CONTRACT NO. ML16032

Dear Ms. Ravenstein:

The City of Azusa is requesting a final term extension to complete the improvements at the intersection of Foothill Boulevard, Alostia Avenue, and Rockvale Avenue by April 8, 2021. The current term under this contract runs from April 9, 2019 through April 8, 2020.

On October 17, 2019, the City of Azusa entered into a Contract Agreement with Ferreira Construction Company for the Traffic Management System Project No. 66117C & 661171. The improvements at the intersection of Foothill Boulevard, Alostia Avenue, and Rockvale Avenue are incorporated into this large scale project.

Ferreira Construction Company was issued a Notice to Proceed to commence work on December 2, 2019 and is expected to complete the entire project within three hundred sixty five (365) calendar days. Since the project improvements funded by the MSRC grant are adjacent to the Azusa Pacific University (APU) campus, Ferreira Construction Company proposes to commence construction in May 2020, during APU's summer break to alleviate any impacts to pedestrian and vehicular traffic.

I will be submitting the City's Public Outreach Plan to satisfy the requirements of the MSRC Contract No. ML16032 by next week. The City of Azusa does not want the funding to lapse and will work together with MSRC to complete a successful project.

If you have any questions, please contact me at (626) 812-5247 or via email at ccuriel@azusaca.gov. Thank you for your consideration.

Respectfully,

A handwritten signature in black ink that reads 'Christina Curiel'.

Public Works Project Manager

AGENDA ITEM #4

Contract Modification Request by
Riverside County Transportation Commission

MSRC Agenda Item No. 4

DATE: April 16, 2020

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: 21-Month Term Extension by Riverside County Transportation Commission, Contract #MS14059

SYNOPSIS: RCTC requested a 24-month contract term extension as part of the FYs 2012-14 Signal Synchronization Partnership Program due to the Coachella Valley Associated Governments' Regional Synchronization Project taking longer than anticipated due to the necessary coordination with the numerous jurisdictions, the wide variety of existing equipment, and planning for synchronization that will be utilizing rapidly changing technology.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommended approval.

ATTACHMENTS: Contractor's letter requesting modification

DISCUSSION:

Contractor: Riverside County Transportation Commission

Project Title: Implement Signal Synchronization Projects

MSRC Funding: \$1,250,000

Project Term: September 5, 2014 to April 4, 2020

Current Request: 24-month term extension

Previous Requests: Correct project description; reallocate \$74,625 from the Hamner Avenue Project in Eastvale to the Magnolia Avenue Project in Riverside; expand scope of Highway 111 project; 25-month term extension

Project Description: The MSRC awarded RCTC \$1,250,000 to implement a number of signal synchronization projects which would be carried out by RCTC member jurisdictions. The City of Eastvale's project has been completed and the City of Riverside's project is near completion; nothing has been paid to date on this contract.

Previous Requests: RCTC determined that they had provided incorrect description data for the Magnolia Avenue project during the contract preparation process, and requested correction of the amount of copper wire to be replaced and the project endpoint. This change was processed administratively. Subsequently, RCTC requested to reallocate \$74,625 from the Hamner Avenue Project in Eastvale to the Magnolia Avenue Project in Riverside, with no change to the project budget. The MSRC approved this change at their March 16, 2017 meeting. Shortly thereafter, RCTC requested to expand the scope of the Highway 111 project in the Coachella Valley to cover nine cities as well as unincorporated areas. The MSRC approved this change at their May 18, 2017 meeting. Lastly, RCTC indicated that two of the subject projects experienced unforeseen delays in the planning and environmental phases. RCTC requested a 25-month term extension which the MSRC approved in February 2018.

Contract Request: RCTC indicates that the Coachella Valley Association of Governments' (CVAG's) Regional Synchronization project has taken even longer than previously anticipated due to the necessary coordination with the numerous jurisdictions, the wide variety of existing equipment, and planning for synchronization that will be utilizing rapidly changing technology. CVAG anticipates construction will commence by June 2020. RCTC requests a 24-month term extension to ensure that all projects are complete.

Recommendations: At their March 5, 2020 meeting, the MSRC-TAC reviewed RCTC's request and recommended approval.

Due to the closure of the South Coast AQMD offices to the public in light of the COVID-19 situation, the March 19, 2020 MSRC meeting was cancelled. Because Contract #MS14059 was going to terminate on April 4, 2020, a three-month contract term extension was processed administratively in order to allow sufficient time for the MSRC to consider the remainder of the extension request. Therefore, an additional 21-month contract term extension would fulfill RCTC's request.

VIA E-MAIL

SUBJECT: Request for Extension of Contract No. MS14059A (Agreement No. 14-65-106-01) under the FY2012-2014 Discretionary Funds for Signal Synchronization Projects

Dear Ms. Ravenstein,

The Riverside County Transportation Commission (RCTC) was awarded \$1,250,000 of funding through the MSRC FY2012-2014 Discretionary Funds to implement Signal Synchronization Projects in regionally significant corridors throughout Riverside County. RCTC allocated the funds to the cities of Riverside and Moreno Valley and the Coachella Valley Association of Governments (CVAG). The current term of the contract ends April 2020 and RCTC is requesting a 24-month extension. The three projects are moving forward; one is completed, one is near completion, however, one project experienced unforeseen delays during the design phase and is working with Caltrans and FHWA on Concept of Operations (Con Ops) and Systems Engineering (SEMP) documents. A summary of the status for each project is as follows:

- The City of Riverside's Magnolia Avenue Traffic Signal Interconnect System replaces existing outdated copper interconnect with new fiber optic cable to improve signal synchronization and communications between Buchanan and First Streets encompassing 49 signalized intersections and spanning approximately 10.4 miles. The improved signal coordination will improve traffic flow, incident response, and will reduce vehicle emissions. The project is completed and will request final reimbursement in the coming months.
- The City of Moreno Valley's Transportation Management Center project includes the installation of an Ethernet fiber-optic backbone system, television

cameras at 16 key intersections, and new traffic signal controllers at 45 existing signalized intersections. The project is expected to be completed by February 2020.

- CVAG's Regional Synchronization project spans eleven different jurisdictions and will include signal upgrades, communication systems, hardware and software improvements, and a Traffic Management Center. The completion of the Traffic Signal Interconnect Master Plan took longer than anticipated due to the coordination with the numerous jurisdictions, all with different existing equipment, and planning for synchronization that will be utilizing rapidly changing technology. CVAG anticipates construction will commence June 2020.

Although the cities of Riverside and Moreno Valley will have completed their projects, a 24-month extension will ensure that CVAG's project completes construction and submits final close out documents. RCTC will continue to work closely with the agencies throughout the implementation stages.

If you have any questions, please do not hesitate to contact me at (951) 787-7924 or at jchan@rctc.org.

Sincerely,

Jenny Chan
Management Analyst

AGENDA ITEM #5

Consider Modification to MSRC Policy Regarding
the Regional Rideshare Agency Representative

MSRC Agenda Item No. 5

DATE: April 16, 2020

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Consider Modifications to the MSRC Operational Policies and Procedures Related to the Regional Rideshare Agency Representative

SYNOPSIS: The enabling legislation for the MSRC calls for the members of the MSRC to select the Regional Rideshare Agency (RRA) which will designate its MSRC representative. The proposed modifications to the MSRC Operational Policies and Procedures would establish a rotation of the RRA position among the four County Transportation Commissions on the MSRC.

FINANCIAL IMPACT: None

RECOMMENDATIONS: None

ATTACHMENTS: Proposed Modifications to MSRC Operational Policies and Procedures

DISCUSSION: The enabling legislation for the MSRC calls for a RRA member on the MSRC, and it is left to the discretion of the MSRC to select the RRA member agency (see Health and Safety Code § 44244). That agency will in turn designate its MSRC representative. The original RRA selected by the MSRC, in 1991, was Commuter Transportation Services (CTS). CTS was subsumed into Southern California Associated Governments in 1995. In 2003, it was learned that CTS was no longer in existence. At that point the four County Transportation Commissions with members on the Committee represented that they were each taking a role in providing the rideshare services for the region. The MSRC voted to have Riverside County Transportation Commission (RCTC) serve as the RRA in May 2003.

In August 2010, the Regional Rideshare Implementation Committee (RRIC)—comprised of representatives from RCTC, Los Angeles County Metropolitan Transportation Authority (Metro), Orange County Transportation Authority (OCTA), and San Bernardino Associated Governments (SANBAG, now San Bernardino County Transportation Authority or SBCTA), submitted a letter recommending that the MSRC now consider appointing Metro as the RRA. The MSRC

considered the recommendations from the RRIC and the MSRC-TAC and voted to change the MSRC RRA membership position to Metro in September 2010.

MSRC staff have been informed that all four of the County Transportation Commissions represented on the MSRC continue to provide some local and regional rideshare services. In order to ensure a smooth rotation of the RRA now and in the future, modifications to the MSRC Operational Policies and Procedures are proposed. The relevant section of the policy, with the proposed additional language, is excerpted below:

8. A regional rideshare agency selected by the other members of the MSRC committee ~~(currently CTS)~~. The MSRC elects to rotate the regional rideshare agency position between SBCTA, OCTA, RCTC and LACMTA. Effective upon (date of adoption), SBCTA shall be designated as the regional rideshare agency and this designation shall continue for four years. OCTA shall succeed SBCTA as the regional rideshare agency, followed by RCTC and then LACMTA, each for a period of four years. This rotation shall continue in subsequent years.

Next Steps: If the MSRC adopts the revised language, SBCTA would become the RRA effective with the close of today's meeting and would be asked to designate a representative to the MSRC.

The Mobile Source Air Pollution Reduction Review Committee (MSRC)

**OPERATIONAL POLICIES
and PROCEDURES**

Mobile Source Air Pollution Reduction Review Committee Membership

The Mobile Source Air Pollution Reduction Review Committee (MSRC) shall be comprised of one representative from each of the following agencies:

- (1) South Coast District (South Coast Air Quality Management District (SCAQMD));
- (2) Southern California Association of Governments (SCAG);
- (3) San Bernardino ~~Associated Governments (SANBAG)~~ **County Transportation Authority (SBCTA);**
- (4) Los Angeles County Metropolitan Transportation Authority (LACMTA);
- (5) Orange County Transportation Authority (OCTA);
- (6) Riverside County Transportation Commission (RCTC);
- (7) State Board (California Air Resources Board – CARB);
- (8) A regional rideshare agency selected by the other members of the MSRC committee ~~(currently CTS)~~. **The MSRC elects to rotate the regional rideshare agency position between SBCTA, OCTA, RCTC and LACMTA. Effective upon (date of adoption), SBCTA shall be designated as the regional rideshare agency and this designation shall continue for four years. OCTA shall succeed SBCTA as regional rideshare agency, followed by RCTC and then LACMTA, each for a period of four years. This rotation shall continue in subsequent years.**

All appointments for members and alternates shall be made by the respective appointing authority. Notice in writing shall be submitted to the Chairperson of the MSRC. The authorized appointing authority may reappoint or fill a vacancy by giving notice in writing to the MSRC Chairperson.

Technical Advisory Committee Membership

The Technical Advisory Committee (TAC) shall be comprised of membership as approved by the MSRC with one representative appointed by each of the following agencies:

- (1) MSRC representative from the South Coast District (South Coast Air Quality Management District (SCAQMD));
- (2) MSRC representative from the Southern California Association of Governments (SCAG);

- (3) MSRC representative from the San Bernardino ~~Associated Governments (SANBAG)~~ **County Transportation Authority (SBCTA)**;
- (4) MSRC representative from the Los Angeles County Metropolitan Transportation Authority (LACMTA);
- (5) MSRC representative from the Orange County Transportation Authority (OCTA);
- (6) MSRC representative from the Riverside County Transportation Commission (RCTC);
- (7) MSRC representative from the State Board (California Air Resources Board – CARB);
- (8) MSRC representative from the regional rideshare agency selected by the other members of the MSRC (~~currently CTS~~);
- (9) Cities of San Bernardino County;
- (10) Cities of Riverside County;
- (11) Cities of Orange County;
- (12) Cities of Los Angeles County;
- (13) Board of Supervisors of San Bernardino County;
- (14) Board of Supervisors of Riverside County;
- (15) Board of Supervisors of Orange County;
- (16) Board of Supervisors of Los Angeles County;
- (17) And members selected by the MSRC as it deems appropriate.

Duties of the MSRC:

The duties of the MSRC are to develop, adopt and implement a work program pursuant to section 44244(b) of the California Health and Safety Code, and to present such work program(s) for approval to the south coast district board. The MSRC may, from time to time, amend, readopt, and resubmit the work program to the district board for approval.

Duties of the TAC:

The duties of the Tac are to assist the MSRC in the development of the work program, pursuant to section 44244(b) of the California Health and Safety Code, and to present recommendations for approval to the MSRC, and to perform those additional duties as may be required by the MSRC.

AGENDA ITEM #6

Consider Recommendation to Extend Submittal Deadline for
Hydrogen Infrastructure Partnership Program

MSRC Agenda Item No. 6

DATE:	April 16, 2020
FROM:	Cynthia Ravenstein, MSRC Contracts Administrator
SUBJECT:	Consider Recommendation Regarding Extending Submittal Deadline Under the Hydrogen Infrastructure Partnership Program
SYNOPSIS:	To date, the MSRC has awarded \$1,000,000 under its FYs 2016-18 Hydrogen Infrastructure Partnership Program, which currently has a concept description submittal deadline of April 10, 2020. Several other entities have indicated interest in the program, particularly in recent weeks since the California Energy Commission released their Clean Transportation Program for Hydrogen Refueling Infrastructure. However, many of these same potential partners have indicated that they need more time to develop large scale projects for submittal to the MSRC.
RECOMMENDATION:	The MSRC-TAC recommends that the MSRC extend the submittal deadline to April 9, 2021.
FINANCIAL IMPACT:	None

On April 6, 2018, as part of their FYs 2016-18 Work Program, the MSRC released Program Opportunity Notice (PON) #2018-02 – Hydrogen Infrastructure Partnership Program. This Program seeks to encourage the establishment of new and expanded hydrogen fueling stations by public and private entities. The primary intent is to provide funding that can be used to improve the financial viability of a candidate hydrogen refueling station that has already undergone vetting by a public agency with expertise pertaining to the selection, management, and oversight of hydrogen refueling stations. The PON has an initial targeted funding amount of \$3,000,000, a county geographic minimum of \$500,000, and a submittal deadline of April 10, 2020.

To date, the MSRC has made one award in the amount of \$1,000,000 under the PON to a project in Orange County. A number of other station proponents have made inquiries about the opportunity. A few have undertaken repeated discussions with MSRC staff. Among this latter group, some entities have attested that they need more time to develop large scale projects for submittal to the MSRC. They also expressed their hopes that the PON deadline could be extended.

On another front, the release of the California Energy Commission's (CEC's) Clean Transportation Program for Hydrogen Refueling Infrastructure in January of this year coincided with a marked increase in interest in the MSRC's PON. The submission deadline for the CEC's solicitation is April 30, 2020, with anticipated notice of proposed awards in June. The results of this competition may result in the identification of quality projects which could benefit from MSRC support. Additionally, at the MSRC-TAC meeting CEC indicated that they plan to release another hydrogen refueling infrastructure opportunity, this one focused on medium- and heavy-duty vehicle fueling, during the second quarter of 2020.

Recommendations: On March 5, 2020, the MSRC-TAC considered the situation and recommended that the MSRC extend the PON's submittal deadline to April 9, 2021. This was thought to allow sufficient time both for CEC to complete their current competition and for the development of large-scale projects to advance sufficiently.

Due to the closure of the South Coast AQMD offices to the public in light of the COVID-19 situation, the March 19, 2020 MSRC meeting was cancelled. The MSRC may still act upon the MSRC-TAC's recommendation, however, and extend the submittal deadline retroactively. In the interim, the CEC has extended the deadline on their funding opportunity to May 22, 2020.

MODIFIED

**Program Opportunity Notice for the
Implementation of Hydrogen Refueling Stations
In the South Coast Air District**

Hydrogen Infrastructure Partnership Program

PON2018-02

Modified effective April 10, 2020

Section I: Introduction

For the past 27 years, the Mobile Source Air Pollution Reduction Review Committee (MSRC) has been a recognized leader in the implementation of alternative fuel infrastructure in the South Coast AQMD region. Infrastructure is the essential, enabling component of any alternative fuel vehicle strategy, and the MSRC has historically assumed the role of providing infrastructure funding to support low emission vehicle deployment programs, including but not limited to the Carl Moyer Program and the South Coast AQMD's Fleet Rules. Without the availability of incentives to offset the cost of alternative fuel infrastructure, it is less likely that programs such as Moyer and the AQMD Fleet Rules would have been able to achieve the significant reductions in air pollution and quality of life improvements that have taken place over the past two decades. The MSRC takes pride in its role as a strategic partner in these important air quality improvement programs.

With the State and SCAQMD emphasis on transitioning vehicles to zero and near-zero emissions, the MSRC's role in providing funding for enabling infrastructure has expanded to include fuels such as renewable natural gas and electric vehicle support equipment (EVSE). With the introduction of consumer-oriented zero emission fuel cell passenger vehicles, and the development and demonstration of fuel cell drayage trucks to support zero emission goods movement, the MSRC is further expanding its available funding to support implementation of hydrogen vehicle refueling infrastructure in the South Coast AQMD region.

The MSRC recognizes that the lead agencies for the implementation of hydrogen refueling stations are, at the state level, the California Energy Commission, and locally the South Coast AQMD. Through its *Alternative and Renewable Fuel and Vehicle Technology Program*, the California Energy Commission (Energy Commission) have developed unique expertise pertaining to the selection, management, and oversight of hydrogen refueling station implementation. The South Coast AQMD also has extensive hydrogen infrastructure experience as well as local insight into hydrogen refueling station needs and opportunities. As such, the MSRC seeks to partner with the Energy Commission, the South Coast AQMD, and other public and private stakeholders, to expand the availability of hydrogen refueling as a means to accelerate the deployment of large numbers of zero emission hydrogen vehicles.

Section II: Program Opportunity Notice Overview

This Program Opportunity Notice (PON) seeks to expand the availability of hydrogen refueling infrastructure in the South Coast AQMD region by making available a source of co-funding that can be accessed by the MSRC's strategic partners. The intent is to provide funding that can be used to improve the financial viability of a candidate hydrogen refueling station that has already undergone vetting by the Energy Commission or South Coast AQMD, or is being proposed by a public agency or industry stakeholder that will undergo evaluation by the MSRC, Energy Commission, or South Coast AQMD. The goal is to have this funding source readily available so it can be tapped by our strategic partners during and within the course of their regular procurement processes.

To this end, the MSRC has allocated Three Million Dollars¹ (\$3,000,000) in **Clean Transportation Funding™** from its FY 2016-'18 Work Program for the MSRC's *Hydrogen Infrastructure Partnership Program*. This is an initial funding allocation; the MSRC reserves the right to increase the funding available under this PON by allocating additional funds from either the FY 2016-'18 Discretionary Fund or a future Work Program².

The MSRC has established additional, specific objectives for the Hydrogen Infrastructure Partnership Program:

- Ensure the Program is geographically broad based, with the goal of having at least one (1) hydrogen station emplaced within each county that comprises the South Coast AQMD. To ensure broad geographic participation, the MSRC is establishing a geographic funding minimum in an amount of \$500,000 per county;
- Provide adequate time for technologically sophisticated refueling station designs and potentially complex station implementation partnerships to be forged. The MSRC recognizes that hydrogen refueling infrastructure is relatively expensive, poses unique technical challenges, and often involves the participation of multiple stakeholders. These stakeholders may include hydrogen fuel providers, automobile manufacturers, property owners, as well as the state and local funding agencies. To ensure sufficient time is available to allow all necessary project elements to be fully developed, the MSRC is establishing an approximately 24-month period for the submittal of hydrogen station concepts and funding requests under this PON. This submittal period can be extended at the discretion of the MSRC.

Section III: Hydrogen Infrastructure Partnership Program – How to Participate

Participation in the MSRC Hydrogen Infrastructure Partnership Program is designed to minimize upfront paperwork so as to not to unduly burden participating agencies or entities.

MSRC Public Agency Infrastructure Partners

Public agencies, specifically the Energy Commission, South Coast AQMD, and California Air Resources Board, which are established MSRC infrastructure partners, are asked to submit a concise Hydrogen Refueling Station Concept Description to initiate the PON process. The Concept Description should include:

- The hydrogen refueling station's proposed location;
- Anticipated user base and/or fuel throughput (i.e., anchor tenants);
- Project participants, including refueling station sponsor;

¹ In keeping with adopted policy and past practice, the MSRC reserves the right to reduce the total funding available and reallocate funds to other Work Program categories in the event hydrogen infrastructure funding requests total less than the amount allocated, or if projects are deemed non-meritorious. The MSRC also reserves the right to not fund any of the projects received, irrespective of the merits of the projects submitted for funding consideration.

² The source of MSRC **Clean Transportation Funding™** is motor vehicle registration fees collected by the California Department of Motor Vehicles (DMV) in accordance with the California Health and Safety Code. Thus, the availability of MSRC **Clean Transportation Funding™** is contingent upon the timely receipt of funds from the DMV. Neither the MSRC nor South Coast AQMD can guarantee the collection of remittance of registration fees by the DMV.

- Implementation schedule;
- Station cost, including the existing funding shortfall;
- Requested MSRC funding amount.

If available, it is requested that the Concept Description include as an attachment a copy of the original station proposal submitted to the Energy Commission, South Coast AQMD, and/or Air Resources Board, as well as a summary of the proposal's evaluation or scoring based on agency review.

Other Project Proponents

In addition, all public and private entities seeking to establish new or expanded hydrogen refueling infrastructure are eligible and encouraged to participate under this PON. Non-regulatory agency participants are asked to submit their Hydrogen Refueling Station Concept Descriptions in accordance with the following guidelines:

1. Cover Letter that identifies the name of the individual or organization submitting the hydrogen station Concept Description, including but not limited to telephone and e-mail address of the contact person(s) for technical and contractual matters.
2. A concisely written hydrogen refueling station technical description, including: a) technical specification; b) project location; c) station development participants, and d) anticipated user base and/or hydrogen fuel throughput.
3. Project Schedule, including the timeframe for project implementation and any anticipated barriers to project completion.
4. Estimated Project Cost, including total project cost, sources of match funding and other direct cost-sharing, and whether co-funding is secured or anticipated.

Section IV: Project Review & Funding Process

All hydrogen refueling station concepts will be reviewed by the MSRC's Technical Advisory Committee/Infrastructure Subcommittee. Submittal of a Hydrogen Refueling Station Concept Description will result in one of the following three outcomes:

- A request by the MSRC for the submittal of a full proposal for possible sole-source funding consideration;
- Notification that a detailed Request for Proposals (RFP) will be issued at a later date;
- Notification that a Hydrogen Refueling Station Concept Description has been declined from further consideration.

Hydrogen refueling station proponents selected for MSRC funding will be required to enter into a contract with the South Coast AQMD on behalf of the MSRC. This contract will be the result of a negotiation between the MSRC, SCAQMD, and the hydrogen refueling station project lead entity. In cases where the South Coast AQMD is the project sponsor, the MSRC may elect to transfer funding using established interagency accounting practices. In all cases, projects must be approved by the MSRC and South Coast AQMD Governing Board prior to the execution of a contract or disbursement of MSRC funds.

The period of submittal under this PON closes on April 9, 2021, unless extended by the MSRC. Hydrogen Refueling Station Concept Descriptions should be sent via e-mail to:

Cynthia Ravenstein
MSRC Contracts Administrator
Cynthia@CleanTransportationFunding.org

If you have any questions regarding this Program Opportunity Notice, please direct inquiries to one of the following MSRC staff contacts:

AGENDA ITEM #7

Consider Partnership with South Coast AQMD on
Implementation of Voucher Incentive Program (VIP) Plus Up Incentive

MSRC Agenda Item No. 7

DATE: April 16, 2020

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Consider Partnership with South Coast AQMD on Implementation of Voucher Incentive Program (VIP) Plus Up Incentive

SYNOPSIS: Using funds provided by the California Air Resources Board, South Coast AQMD implements the VIP to encourage the replacement of older, higher-polluting vehicles with newer, lower-emission vehicles which meet the 0.20 g/bhp-hr NO_x standard. The program features a rapid response time and is limited to small fleets of 10 or fewer vehicles. There is an opportunity to partner with South Coast AQMD to support vehicle owners in going a step further to achieve additional surplus emission reductions of at least 90% compared to current standards. Incentives would range up to a maximum of \$100,000 for Class 7 and 8 trucks.

RECOMMENDATION: The MSRC-TAC recommends that the MSRC enter into a partnership with the South Coast AQMD for a VIP Plus Up Incentive, with an initial funding allocation of \$5,000,000 and a sunset date of December 31, 2020

FINANCIAL IMPACT: Sufficient funding for this work is available in the FYs 2018-21 Work Program.

Using funds provided by the California Air Resources Board (CARB), South Coast AQMD implements the VIP to encourage the replacement of older, higher-polluting vehicles with newer, lower-emission vehicles which meet the 0.20 g/bhp-hr NO_x standard. The program features a rapid response time and is limited to small fleets of 10 or fewer vehicles. Applicants with engine model years 2009 and older are eligible to apply for the VIP so long as they are in compliance with the Truck & Bus Regulation. The applicants apply through the approved VIP Dealers. Once approved, they are issued a voucher based on their historical mileage over the past 24 months and the corresponding eligible voucher amount as outlined by the VIP Guidelines. The amount of the voucher is deducted from the total purchase price of the truck by the participating dealer. Voucher amounts vary by vehicle class and mileage; the funding

tables for the 0.20 g/bhp-hr NOx standard are expected to be released within weeks. While the maximum funding amount for the heavy duty trucks (Class 7 & 8) is \$60,000, not all applicants qualify for the maximum voucher amount due to their historical mileage.

Based on technology developments that have become commercially available over the past couple of years, there is an opportunity to partner with South Coast AQMD to support vehicle owners in going a step further to achieve additional surplus emission reductions of at least 90% cleaner than current standards. For those fleets willing to pursue the cleanest commercially available technologies certified at 0.02 g/bhp-hr NOx or cleaner, MSRC funds would be added to the amount of the voucher. There would be no difference, process-wise, for the fleets. The following upper limits are proposed for combined VIP+MSRC funds:

Old Truck	Maximum Incentive
Class 7 and 8	\$100,000 or 90% of total cost of new truck, whichever is lower
Class 6	\$80,000 or 90% of total cost of new truck, whichever is lower
Class 5	\$60,000 or 90% of total cost of new truck, whichever is lower

Other than the funding caps, all requirements of the VIP Guidelines would remain in place.

CARB Low NO_x Program: CARB is currently working on adding a low NO_x incentive to the statewide VIP. This is expected to come forward sometime in the next few months. Given that proposed draft incentive amounts are less than would be provided by the proposed VIP Plus Up Incentive, it is anticipated that the MSRC would continue its incentive so that fleet owners could receive up to the funding levels above.

Recommendation: The MSRC-TAC recommends that the MSRC enter into a partnership with the South Coast AQMD for a VIP Plus Up Incentive, with an initial funding allocation of \$5,000,000 and a sunset date of December 31, 2020.

Next Steps: Following review and approval by the MSRC, the partnership recommendation will be forwarded to the South Coast AQMD Governing Board for review and approval.

Consider Partnership with South Coast AQMD on Implementation of a Voucher Incentive Program Plus-Up Incentive

MSRC Agenda Item 7

April 16th 2020

Cynthia Ravenstein

Voucher Incentive Program Plus Up Overview

Current Program

- The Carl Moyer Program's Voucher Incentive Program (VIP) provides incentive funding for the cost of replacing older, higher-polluting vehicles with newer, lower-emission vehicles which meet the 0.20 g/bhp-hr NOx standard.
 - *Limited to fleets of 10 or fewer vehicles*
 - *Applications through approved dealers*
 - *Current engines model years 2009 and older, in compliance with Truck & Bus Regulation*
 - *Applicant issued voucher and amount deducted from purchase price of new truck*
 - *Voucher amounts vary by vehicle class and mileage*

VIP Plus Up Overview – cont'd

Given technology developments and the need to achieve emission reductions as soon as practicable, there is an opportunity to partner with South Coast AQMD to support vehicle owners in going a step further to achieve emission reductions at least 90% cleaner than current standards, with engines meeting the 0.02 g/bhp-hr NOx standard or cleaner, and:

Add MSRC funds to what the applicant would get under the regular VIP

VIP Plus Up Overview – cont'd

The following upper limits are proposed for combined VIP+MSRC funds:

Old Truck	Maximum Incentive
Class 7 and 8	\$100,000*
Class 6	\$80,000*
Class 5	\$60,000*

*or 90% of total cost of new truck, whichever is lower

Other than the funding caps, all requirements of the VIP Guidelines would remain in place and there would be no difference in the process for fleets.

Funding Allocation and Other Considerations

- \$5 million is suggested as the minimum MSRC allocation for program viability, matching \$5 million in VIP funds.
- If all trucks were Class 8 and received the maximum VIP voucher amount, 100 low-NOx trucks could be funded.
 - *The purchase of smaller trucks could increase the total number of trucks.*
 - *VIP vouchers at less than maximum amount could decrease the total number.*
- 2020 VIP funding tables have just been released. Opportunity to participate as the 2020 program launches and encourage as many fleets as possible to consider the low-NOx option.
- CARB is currently working on adding a low NOx incentive to the statewide VIP, expected sometime in the next few months.
