

MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE (MSRC) MEETING AGENDA

Thursday, June 12, 2025 at 2:00 p.m.

A meeting of the MSRC will be held at 2:00 p.m. on Thursday, June 12, 2025 through a hybrid format of in-person attendance in Conference Room CC-8 at the South Coast AQMD Headquarters, 21865 Copley Drive, Diamond Bar, California, and remote attendance via videoconferencing and by telephone. Please follow instructions below to attend the meeting remotely.

OTHER LOCATIONS

City of Gardena
Management Information Center
(MIC) – Council Chambers
1700 West 162nd Street
Gardena, CA 90247

LA County MTA
One Gateway Plaza, 22nd Floor
Pasadena Conference Room
Los Angeles, CA 90012

Hemet City Hall
Sister City Conference Room
445 E. Florida Ave
Hemet, CA 92543

Please refer to the MSRC's website, www.cleantransportationfunding.org, for information regarding the format of the meeting, updates if the meeting format is changed to full remote via webcast format, and details on how to participate.

INSTRUCTIONS FOR ELECTRONIC PARTICIPATION AT BOTTOM OF AGENDA

Join Zoom Webinar Meeting – from PC or Laptop

<https://scagmd.zoom.us/j/96680138143>

Zoom Webinar ID: 966 8013 8143 (applies to all)

Teleconference Dial In

+1 669 900 6833

One Tap Mobile

+16699006833,,96680138143#

Audience will be allowed to provide public comment in person and through telephone or Zoom connection during public comment periods.

PUBLIC COMMENT WILL STILL BE TAKEN

MSRC Committee Members

MSRC Chair

Larry McCallon
Member, Board of Directors, SBCTA
Representing San Bernardino County Transportation Authority
Alternate: John Dutrey, Board of Directors, SBCTA

MSRC Vice-Chair

Brian Berkson
Commissioner, RCTC
Representing Riverside County Transportation Commission
Alternate: Vacant

Patrick Harper
Member, Board of Directors, OCTA
Representing Orange County Transportation Authority
Alternate: Vacant

William (Bill) Robertson
Member, CARB Staff
Representing California Air Resources Board
Alternate: Peter Christensen, CARB Staff

Curt Hagman
Member, SCAQMD Governing Board
Representing South Coast Air Quality Management District
Alternate: Vacant

Linda Krupa
Commissioner, RCTC
Representing Regional Rideshare Agency
Alternate: Vacant

Steve Veres
Member, LACCD Board of Trustees
Representing Los Angeles County MTA
Alternate: Rena Lum, MTA Staff

Mark Henderson
Member, SCAG Regional Council
Representing Southern California Association of Governments
Alternate: Cindy Allen, SCAG Regional Council

*Members of the public may address this body concerning any agenda item before or during consideration of that item (Gov't Code Section 54954.3(a)). If you wish to comment on an agenda item or during the public comment period, please "raise your hand" on Zoom or dial *9 on your phone. All agendas for regular meetings are posted at District Headquarters, 21865 Copley Drive, Diamond Bar, California, at least 72 hours in advance of the regular meeting. Speakers may be limited to three (3) minutes each.*

CALL TO ORDER

- Roll Call

Opening Comments: Larry McCallon, MSRC Chair
Other MSRC Members

Status Report

Clean Transportation Policy Update

Ravenstein

The Clean Transportation Policy Update provides information on key legislative and regulatory initiatives of potential interest to the MSRC. The report can be viewed at www.CleanTransportationFunding.org.

CONSENT CALENDAR (Items 1 through 5)

Information Only – Receive and File

1. Summary of Final Reports by MSRC Contractors

Gorski

- MS21009 - ITS/ConGlobal
- MS21013 - BNSF

2. MSRC Contracts Administrator's Report

Ravenstein

This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from April 24, 2025 through May 28, 2025.

3. Financial Report on AB 2766 Discretionary Fund

Sandoval

Financial Report for May 2025.

4. Consider Potential Next Steps for MSRC Technical Advisor Services

Ravenstein

The MSRC retains an independent contractor to provide technical assistance in support of the AB 2766 Discretionary Fund Program. The contract with the current Technical Advisor expires on December 31, 2025. The purpose of this item is to consider potential next steps. *No written material.* **THE MSRC-TAC RECOMMENDS APPROVAL.**

CONSENT CALENDAR CONT. (Items 1 through 5)

5. Consider Approval of FM Harbor LLC as a Party to Agreement with Forum Mobility Inc., Agreement #MS24998 (proposed) (\$6,000,000 – Install Electric Vehicle Service Equipment (EVSE) at the Port of Long Beach)

Ravenstein

In January 2025, the MSRC approved a \$6,000,000 contract award to Forum Mobility Inc. as part of their partnership with the Ports of Long Beach and Los Angeles (POLB and POLA). This award uses funds exclusively from the POLB and POLA EVSE Infrastructure Projects Special Revenue Fund (92) with MSRC acting to administer the project. After the award, MSRC staff were notified that another entity, FM Harbor LLC, now holds title to the charging infrastructure. It is recommended that the MSRC approve the addition of FM Harbor LLC as a party to the agreement. **THE MSRC-TAC RECOMMENDS APPROVAL.**

ACTION CALENDAR (Items 6 through 9)

6. Consider FY 2025-26 Administrative Budget

Sandoval

An administrative budget is prepared each year as part of the annual MSRC budget. **THE MSRC-TAC RECOMMENDS APPROVAL.**

FY 2016-18 WORK PROGRAM

7. Consider Eight-Month Term Extension by County of Los Angeles, Contract #ML18060 (\$1,273,938 - Purchase 29 Light-Duty Zero Emission Vehicles, 6 Heavy-Duty Near-Zero Vehicles and Install EV Charging Stations)

Nikravan

This agreement was previously extended by 24 months. The County of Los Angeles requests an eight-month term extension due to delays resulting from their existing contractor filing for bankruptcy, and supply chain challenges which are delaying delivery of the switch gears that have been ordered. The MSRC Contracts Administrator recommends approval of an 18-month term extension. **THE MSRC-TAC RECOMMENDS APPROVAL OF A 24-MONTH EXTENSION.**

ACTION CALENDAR CONT. (Items 6 through 9)

FY 2024-27 WORK PROGRAM

8. Consider Contract Value Increase by Geographics, Contract #MS21006 (\$21,421 – Host & Maintain MSRC Website)

Nikravan

In April 2021, a contract was executed with Geographics for supporting the MSRC website. The tasks under this contract included hosting the MSRC website, conducting routine maintenance, and making website revisions to integrate new features as needed. Previous modifications have added funds and extended the term of this contract, with a current term ending September 20, 2025. Hosting of the website will be transitioning to a new host within the next two to three months. Based on the amount of time remaining under this contract and the remaining balance, it is the MSRC Contracts Administrator's recommendation to increase the contract value by \$1,800 to cover any unanticipated maintenance needs. Any funds not used at contract termination will revert back to the AB2766 Discretionary Fund.
THE MSRC-TAC RECOMMENDS APPROVAL.

9. Report on MSRC Extension and Scope Change Decision Process

Ravenstein

MSRC staff will review highlights of MSRC policies pertinent to consideration of extension requests and scope changes, as well as recommended updates to practices to assure timely awareness of issues that might delay project completion. *No written material.*

OTHER BUSINESS

**Any member of the committee, on his or her own initiative or in response to questions posed by the public, may ask a question for clarification, may make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter, or may take action to direct staff to place a matter of business on a future agenda. (Gov't Code Section 54954.2)*

McCallon

PUBLIC COMMENT PERIOD - (Public Comment on Non-Agenda Items, Pursuant to Government Code Section 54954.3)

At the end of the regular meeting agenda, an opportunity is provided for the public to speak on any subject within the Committee's authority that is not on the agenda. Speakers may be limited to three (3) minutes each.

ADJOURNMENT

NEXT MEETING: Date: August 21, 2025, 2:00 PM, Location: South Coast AQMD Headquarters, Conference Room CC-8

Americans with Disabilities Act and Language Accessibility

Disability and language-related accommodations can be requested to allow participation in the MSRC meeting. The agenda will be made available, upon request, in appropriate alternative formats to assist persons with a disability (Gov't Code Section 54954.2(a)). In addition, other documents may be requested in alternative formats and languages. Any disability or language-related accommodation must be requested as soon as practicable. Requests will be accommodated unless providing the accommodation would result in a fundamental alteration or undue burden to the District. Please contact Ms. Marjorie Eaton at (909) 396-3036 from 7:00 a.m. to 5:30 p.m., Tuesday through Friday, or send the request to meaton@aqmd.gov.

Pursuant to SB 343

All documents (i) constituting non-exempt public records, (ii) relating to an item on an agenda for a regular meeting, and (iii) having been distributed to at least a majority of the Committee after the Agenda is posted, are available by contacting Marjorie Eaton at (909) 396-3036 or send the request to meaton@aqmd.gov

Contacts:

Cynthia Ravenstein, MSRC Contracts Administrator - (909) 396-3269

Ray Gorski, MSRC Technical Advisor – (909) 396-2479

Marjorie Eaton, MSRC Administrative Liaison – (909) 396-3036

INSTRUCTIONS FOR ELECTRONIC PARTICIPATION

Instructions for Participating in a Virtual Meeting as an Attendee

As an attendee, you will have the opportunity to virtually raise your hand and provide public comment.

Before joining the call, please silence your other communication devices such as your cell or desk phone. This will prevent any feedback or interruptions during the meeting.

Please note: During the meeting, all participants will be placed on mute by the host. You will not be able to mute or unmute your lines manually.

After each agenda item, the Chair will announce public comment.

A countdown timer may be displayed on the screen for each public comment.

If interpretation is needed, more time will be allotted.

Once you raise your hand to provide public comment, your name will be added to the speaker list. Your name will be called when it is your turn to comment. The host will then unmute your line.

Directions for Video ZOOM on a DESKTOP/LAPTOP:

- If you would like to make a public comment, please click on the “**Raise Hand**” button on the bottom of the screen.
- This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for Video Zoom on a SMARTPHONE:

- If you would like to make a public comment, please click on the “**Raise Hand**” button on the bottom of your screen.
- This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for TELEPHONE line only:

- If you would like to make public comment, please **dial *9** on your keypad to signal that you would like to comment.

AGENDA ITEM # 1

Summary of Final Reports by MSRC Contractors

MSRC-TAC Agenda Item No. 1

Date: June 12, 2025
From: Ray Gorski, MSRC Technical Advisor
Subject: Final Reports Received and Reviewed

Two (2) Final Reports were submitted for MSRC-TAC review and approval:

- ConGlobal – Zero-Emission Cargo Handling Equipment & Infrastructure at Warehouse, Distribution, & Intermodal Facilities, Contract #MS21009
- BNSF Railway – BNSF San Bernardino Electric Yard Tractor Charging Infrastructure, Contract #MS21023

A summary of each Final Report is attached. MSRC staff has reviewed the Final Reports and recommends approval.

ConGlobal – Zero-Emission Cargo Handling Equipment & Infrastructure at Warehouse, Distribution, & Intermodal Facilities

Project Description & Work Performed: The project under Agreement No. MS21009 involved the replacement of 12 diesel yard tractors with 12 zero-emission electric yard tractors at the San Bernardino facility. Funding from the Mobile Source Air Pollution Reduction Committee (MSRC) was crucial for project viability.

The project commenced in 2023, and was completed on December 29, 2024. The project encountered delays due to infrastructure issues with Southern California Edison (SCE). An easement exists between the property where the chargers were to be installed and another area where SCE has power, and the process to allow SCE to cross the easement proved lengthy.

A second issue involved multiple maintenance and operational issues with the BYD electric yard tractors. The downtime experienced increased operations costs and resulted in scaling back the purchase number from 50 to 12 electric yard tractors.

Emission Reductions: The ConGlobal zero-emission yard tractor project is expected to result in the following total emission reductions over a five-year equipment life:

Emission Reductions (Tons) Over Five Year Life

Oxides of Nitrogen (NO _x)	1.0771
Reactive Organic Gases (ROG)	0.5745
Diesel Particulate Matter (DPM)	0.0467

In addition, the project will reduce greenhouse gases in an amount estimated at 1,716,900 kg annually.

BNSF Railway – BNSF San Bernardino Electric Yard Tractor Charging Infrastructure

Project Description & Work Performed: The project involved installation of charging infrastructure to support the operation of 12 electric yard tractors at BNSF's San Bernardino Intermodal Facility. The electric yard tractors are owned and operated by ConGlobal (*See summary of project #MS21009, above*).

During the first quarter of 2023, BNSF purchased six (6) Heliox 180 charging cabinets, each with three dispensers. BNSF also purchased a Siemens 2500-amp switchgear during this same timeframe. BNSF finalized the electric charging infrastructure design, and selected Aldridge Electric as the General Contractor. In December 2023, construction of the charging infrastructure area broke ground. The Heliox charging cabinets and dispensers were put into place in April 2024 and enabled for charging activity pending site electrification by Southern California Edison (SCE).

To energize the charging infrastructure, SCE was required to connect the switchgear to the powerline located along a nearby road. However, SCE notified BNSF that there was an easement issue due to a small parcel of land that is owned by the City of San Bernardino on which the powerline is located.

SCE was ultimately able to resolve the easement issue with the City, but this delayed the electrification of the site by approximately one year. Additionally, SCE was further delayed by approximately one month due to the wildfires that impacted Southern California in January 2025.

Once the easement was established, SCE was able to complete the necessary work to connect the switchgear to the powerline and get the site electrified. This work was completed in February 2025.

The final step involved commissioning each individual charger. A Heliox technician visited the site over a two-week period to commission each charger unit. This involved connecting each charger to a laptop computer, performing the necessary updates, installing required patches, and testing the functionality of each charger. This was completed on February 24, 2025, and the Heliox chargers were considered fully operational at this time.

On April 22, 2024, BNSF and ITSC conducted a public outreach event on ITSC's Future-Focused Terminal Podcast for their Earth Day episode entitled, "Moving the Needle: ESG and Decarbonizing Freight." This represents the project's biggest public-facing information outreach event. The podcast event featured discussion of freight terminal electrification with a look at the Barstow Intermodal Facility electric yard tractor project, decarbonization goals, and partnership with MSRC. A screenshot from the podcast episode is provided in Figure 6, and the full episode can be viewed at the following link: [Future-Focused Terminal Podcast - ConGlobal](#)

AGENDA ITEM # 2

MSRC Contracts Administrator's Report

MSRC Agenda Item No. 2

DATE: June 12, 2025

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from April 24 to May 28, 2025.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2021-24 Work Program

On September 2, 2022, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On February 3, 2023, the SCAQMD Governing Board approved an award under the Transformative Transportation Strategies & Mobility Solutions Program. This contract is executed.

On June 2, 2023, the SCAQMD Governing Board approved six awards under the Microtransit Service RFP, for zero-emission shared mobility service. These contracts are executed.

On September 1, 2023, the SCAQMD Governing Board approved two awards under the Publicly Accessible Goods Movement Zero Emission Infrastructure Request for Information. One of these contracts will be administered by SCAQMD on behalf of the MSRC, and the other award is conditional upon successful selection of a site developer and operator and securing co-funding commitments. These contracts are under development.

On February 2, 2024, the SCAQMD Governing Board approved allocations for partnership in applications seeking funding under the Carl Moyer Program solicitation. Some of the applications were subsequently awarded funding Carl Moyer funding. To the extent feasible these contracts will be administered by SCAQMD on behalf of the MSRC; these contracts are under development.

2024-27 Work Program

On October 4, 2024, the SCAQMD Governing Board approved an award for programmatic outreach services for the MSRC. This contract is executed.

On December 6, 2024, the SCAQMD Governing Board approved an award for partnership on the West Coast Truck Charging and Fueling Corridor Project. This contract is under development. The SCAQMD Governing Board also approved three allocations for partnership with SCAQMD on technology advancement projects. To the extent feasible these contracts will be administered by SCAQMD on behalf of MSRC; these contracts are under development.

On April 4, 2025, the SCAQMD Governing Board approved an award for hosting and maintenance of the MSRC website. This contract is under development.

Work Program Status

Contract Status Reports for Work Program years with open and/or pending contracts are attached.

FY 2011-12 Work Program Contracts

1 contract is in “Open/Complete” status, having completed all obligations except operations.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

1 contract from this Work Program year is open, and 1 is in “Open/Complete” status.

FYs 2012-14 Invoices Paid

No invoices were paid during this period.

FYs 2014-16 Work Program Contracts

3 contracts from this Work Program year are open, and 9 are in “Open/Complete” status. 1 contract closed during this period: Omnitrans, Contract #MS16120 – Repower 63 Existing Buses.

FYs 2014-16 Invoices Paid

1 invoice in the amount of \$284,150.12 was paid during this period.

FYs 2016-18 Work Program Contracts

14 contracts from this Work Program year are open, and 46 are in “Open/Complete” status. 1 contract was terminated at the contractor’s request: Air Products and Chemicals, Contract #MS18182 – Install Publicly Accessible Hydrogen Fueling Station. The funding associated with this contract reverted to the AB 2766 Discretionary Fund. 2 contracts closed during this period: City of Arcadia, Contract #ML18032 – Purchase 1 Heavy-Duty Near-Zero Emission Vehicle; and City of El Monte, Contract #ML18171 – Purchase 1 Heavy-Duty ZEV and EV Charging Infrastructure. 2 contracts passed into “Open/Complete” status during this period: City of Rancho Cucamonga, Contract #ML18051 – Purchase 6 Light-Duty ZEVs, Install 3 Limited- and 3 Public-Access EV Charging Stations; R.F. Dickson Co., Contract #MS18106 – Expansion of Existing CNG Infrastructure/Mechanic Training.

FYs 2016-18 Invoices Paid

2 invoices totaling \$34,000.00 were paid during this period.

FYs 2018-21 Work Program Contracts

6 contracts from this Work Program year are open, and 8 are in “Open/Complete” status. 1 contract passed into “Open/Complete” status during this period: Volvo Financial Services, Agreement #MS21019 – Lease up to 14 Zero-Emission Trucks and Provide Infrastructure.

FYs 2018-21 Invoices Paid

4 invoices totaling \$169,666.75 were paid during this period.

FYs 2021-24 Work Program Contracts

8 contracts from this Work Program year are open.

FYs 2021-24 Invoices Paid

1 invoice in the amount of \$76,132.30 was paid during this period.

FYs 2024-27 Work Program Contracts

1 contract from this Work Program year is open.

FYs 2024-27 Invoices Paid

No invoices were paid during this period.

Administrative Scope Changes

No administrative scope changes were initiated during the period from April 24 to May 28, 2025.

AGENDA ITEM # 5

Consider Approval of FM Harbor LLC as Additional Contract Signatory on Award to Forum Mobility Inc., Agreement #MS24998 (proposed) (\$6,000,000 – Install Electric Vehicle Service Equipment (EVSE) at the Port of Long Beach)

MSRC Agenda Item No. 5

DATE: June 12, 2025

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Consider Approval of FM Harbor LLC as a Party to Agreement with Forum Mobility Inc., Agreement #MS24998 (proposed) under Partnership with Ports of Long Beach and Los Angeles

SYNOPSIS: In January 2025, the MSRC approved a \$6,000,000 contract award to Forum Mobility Inc. to install electric vehicle service equipment (EVSE) at the Port of Long Beach as part of the MSRC's partnership with the Ports of Long Beach and Los Angeles (POLB and POLA). This award uses funds exclusively from the POLB and POLA EVSE Infrastructure Projects Special Revenue Fund (92) with MSRC acting to administer the project. After the award, MSRC staff were notified that another entity, FM Harbor LLC, now holds title to the charging infrastructure.

FINANCIAL IMPACT: None

RECOMMENDATIONS: In order to enhance accountability and enforceability in administration of the project, it is recommended that the MSRC approve the addition of FM Harbor LLC as a party to the agreement. The MSRC-TAC considered this recommendation and recommends approval.

AGENDA ITEM # 6

Consider FY 2025-26 Administrative Budget

MSRC Agenda Item No. 6

DATE: June 12, 2025

FROM: Karen Sandoval

SUBJECT: FY 2025-26 Administrative Budget

SYNOPSIS: As part of the annual MSRC budget, administrative costs are limited to not more than 6.25 percent of the annual MSRC portion of the AB 2766 revenues. Each year, an administrative budget is prepared. For FY 2025-26, the projected administrative costs are \$1,011,185 against a cap of \$1,041,473.

RECOMMENDATION(S): The MSRC-TAC reviewed the attached FY 2025-26 Administrative Budget and recommends approval

BACKGROUND:

California Health & Safety Code, Section 44233, limits the administrative expenses for the MSRC to not more than 6.25 percent of its annual AB 2766 revenues. Each year, an administrative budget is prepared for review and approval by the MSRC.

DISCUSSION:

The proposed FY 2025-26 Administrative Budget is \$1,011,185 as shown in the attachment. The projected 6.25 percent administrative cap is \$1,041,473, leaving a margin of \$30,288. The following elements apply to these projections:

(1) Staff Salaries:

Costs are projected for three full-time staff positions (one Program Supervisor and two Contracts Assistants), and two part-time positions (one Planning & Rules Manager and one Senior Administrative Assistant).

(2) Staff Administrative Support

South Coast AQMD charges MSRC for certain support functions provided to the MSRC. This includes legal, financial, and contractual support. The estimated hours reflect resources spent by the support functions.

(3) Burdened Rates:

South Coast AQMD charges MSRC burdened rates for its staff positions and other administrative support personnel. The fully burdened hourly rate reflects the FY 2025-26

proposed overhead rates and the existing South Coast AQMD labor agreement resulting in an increase of \$45,625 in staffing costs.

(4) Miscellaneous Direct Costs:

These costs include: (1) annual travel costs of \$2,500; (2) \$5,000 for conference-related expenses and (3) miscellaneous expenses, such as printing, mailing, refreshments, etc., in the amount of \$48,500.

(5) Revenues:

Based on receipts for the AB 2766 program, the revenue projection has been revised to reflect the current trend in revenue collections.

In summary, the projected FY 2025-26 Administrative Budget reflects the best and most reasonable cost estimates that are currently available.

AGENDA ITEM # 7

Consider Eight-Month Term Extension by County of Los Angeles, Contract #ML18060 (\$1,273,938 - Purchase 29 Light-Duty Zero Emission Vehicles, 6 Heavy-Duty Near-Zero Vehicles and Install EV Charging Stations)

MSRC-Agenda Item No. 7

DATE: June 12, 2025

FROM: Ash Nikravan on behalf of Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Eight-Month Term Extension by County of Los Angeles, Contract #ML18060

SYNOPSIS: This agreement was previously extended by 24 months. The County of Los Angeles requests an eight-month term extension due to delays resulting from their existing contractor filing for bankruptcy, and supply chain challenges which are delaying delivery of the switch gears that have been ordered, as part of the FYs 2016-18 Local Government Partnership Program.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC Contracts Administrator recommends approval of an 18-month term extension. The MSRC-TAC reviewed the request and recommends approval of a 24-month term extension

ATTACHMENTS: Funding recipient's request letter

DISCUSSION:

Funding Recipient: **County of Los Angeles**

Project Title: Purchase 29 Light-Duty Zero Emission Vehicles (ZEVs), 6 Heavy-Duty Near-Zero Emission Vehicles, and Install EV Charging Stations

MSRC Funding: \$1,273,938

Project Term: October 5, 2018 to August 4, 2028

Current Request: 8-month term extension

Previous Requests: 24-month term extension

Project Description: The MSRC awarded the County \$1,367,610 to purchase 29 light-duty ZEVs, 1 heavy-duty ZEV, and 6 heavy-duty near-zero emission vehicles, and install 185 Level II EV charging stations. Contract #ML18060 was executed to effectuate the award. Last year, the County requested a change in scope by eliminating the heavy-duty ZEV which reduced the contract value to \$1,273,938. All the light-duty ZEVs and near-zero emission vehicles have

been placed into service, 114 stations have been installed, and \$724,868.96 has been paid to date.

Previous Request: In 2022, the County requested a 24-term extension from August 2026 to August 2028. Then in 2024, the County requested to reduce the project's scope by eliminating the zero-emission heavy-duty vehicle, with a corresponding value reduction from \$1,367,610 to \$1,273,938. They also requested a change in the deliverable date for the EV charging stations, however, this did not result in any change to the contract term.

Contract Request: The County is requesting an eight-month term extension due to delays resulting from their existing contractor filing for bankruptcy, and supply chain challenges which are further delaying delivery of the switch gears that have been ordered. As a result of the County's existing contractor filing bankruptcy, they were unable to cancel their contract or rebid the work until all contractual processes were completed. They now have a new vendor who is under contract and will complete the remainder of the project. Furthermore, the average wait time for these switch gears is taking upwards of 25 to 30 weeks from the time the order is placed. The County is confident that this term extension will afford them the added time needed to complete the remaining elements under this contract.

MSRC staff reached out to the County to inquire about whether an evaluation has been conducted to assess the potential need for additional switch gears, and if a need was identified, whether an order has been placed with an anticipated delivery date. The County's response was that the switch gears are needed for all of their project sites, however those could not be ordered until the site plan has been stamped and permission to work has been authorized. All of the sites, except one, are awaiting permits, after which point they will order the switch gears.

In addition, an inquiry was made about the current rebid status for their last two project sites that are expecting completion by March 2026. With respect to the rebidding status, the County noted that the solicitation for both projects was released on May 30th and the estimated start for these projects is late-June to early-July.

Recommendations: The MSRC-TAC considered the request and recommended a 24-month extension in place of the requested eight-month term extension due to several factors. First, although there has been substantial progress on this contract with respect to placing all of the vehicles in service and completing over 60% of the EV Charger installations, there are still 71 chargers remaining to be completed. Numerous potential impediments may arise during specific phases, including but not limited to procurement, coordination of schedule, site construction, and coordination with the local utility. Therefore, the MSRC-TAC believes that this additional time would provide ample opportunity to account for these potential challenges which may arise during the process.

After further evaluation and taking the elements noted by the MSRC-TAC into careful consideration, the MSRC Contracts Administrator recommends an 18-month extension. This is longer than the contractor requested for many of the same reasons noted by the MSRC-TAC recommendation. However, this is taking into account that many of the remaining locations already have several stages complete and an 18-month extension should afford them more than adequate time to complete the remaining portion of this project. The extension is

recommended because the County has experienced unanticipated delays which are outside of their control.

Contract No. ML 18060b

Request to Modify Contract

April 30, 2025

Cynthia Ravenstein
Contracts Administrator
MSRC
21865 Copley Drive

Dear Ms. Ravenstein,

The County of Los Angeles Internal Services Department (ISD) is submitting a request to modify Contract No. ML 18060B which terminates on August 4, 2028. Specifically, the County requests the following modifications:

1. Modify the completion month that electric vehicle charging stations are put into service from month 78 to month 89 through March 30, 2026, and
2. Modify the contract term to extend it to April 5, 2029

Four factors are impacting the timing to complete projects.

First, as was stated in our request for amendment 18060b last year, many of the County's projects have been replacement projects, which are not eligible for MSRC 18060 grant funds. Specifically, in 2019 the County switched to an EV charging station network provider with advanced technology that could respond to demand response events consistent with Southern California Edison rules. As a result, the County focused on removing and replacing non-compliant charging stations as its priority. The County completed those replacements in 2024, and was then able to identify new projects to utilize MSRC funds for projects it would not otherwise be able to complete.

Second, several projects in the last two years have been eligible for SCE Charge Ready rebates, so the County has not requested to use MSRC funds for them.

Third, ISD's contractor on several of its project PLEMCo- Pacific Lighting Manufacturer Company filed for bankruptcy on April 17, 2025. PLEMCo began to struggle meeting project deadlines in August, 2025. ISD could not cancel its contract with PLEMCo or rebid the work, until all contractual processes with PLEMCo were completed. As a result, several projects that were partially started, then halted, are now being managed by new contractors. For example, one of the projects that was being installed by PLEMCo was the 33 charging stations at the Olive View Medical Center in Sylmar, CA. The project was originally supposed to be completed in August of 2024.

Page 2 of 4

Several stages of the project were completed by PLEMCo, including having stamped drawings and moving transformers into place. The project will be completed by a new vendor, Vector Energy, which is now under contract.

Fourth, even with new contractors in place to resume work on the projects, ISD has also faced delays in the timing for switch gear to be delivered. For example, once a contractor identifies that switch gear is needed, it takes between 25 and 30 weeks to receive it.

ISD is committed to completing the work and has demonstrated its ability to maintain charging stations long term.

ISD has identified the following project sites for MSRC funds. All of the projects except the last two are in progress.

Site Name	Address	MSRC Grant Funds	County Funds	Estimated Completion Date	CalEnviro Screen 4.0 Pollution Burden Percentile
DPH Whittier Health Center	7643 Painter Ave, Whittier, CA 90602	\$100,087.54	\$251,935.46	7/31/2025	75 th
Probation Afferbaugh	6631 Stephens Ranch Rd, Afferbaugh	\$110,096.30	\$255,770.70	10/31/2025	49 th
DHS Olive View Medical Center	14445 Olive View Dr, Sylmar, CA 91342	\$155,723.24	\$488,387.76	10/31/2025	35 th
Probation Glen Rockney	1900 Sycamore Canyon Rd, San Dimas, CA 91773	\$60,052.53	\$212,102.47	12/31/2025	44 th
Library Norwalk	12350 Imperial Highway, Norwalk, CA 90350	\$25,021.89	\$413,594.11	12/31/2025	96 th
DPH Hollywood Wilshire HC	5205 Melrose Ave, Los Angeles, CA 90038	\$60,052.53	TBD- waiting to be rebid	3/30/2026	69 th
DPH Pomona HC	750 S Park Ave, Pomona, CA 91766	\$40,035.02	TBD waiting to be rebid	3/30/2026	91 st

Since MSRC 18060 was first funded, ISD's has created the Clean Transportation and Energy Program, which has a team dedicated to maintaining charging stations. CTEP's uptime regularly exceeds the state requirements with a consistent average of 98.8% of charging stations up and running at all times. The table below shows that all of the charging station projects installed in the last five years through MSRC funds are continuing to generate benefits for SCAQMD. The table also shows the cumulative kWh usage, GHG savings, and total miles driven as a result of the charging stations that have been installed through MSRC 18060 funds. These projects have resulted in a reduction of 289 metric tons of GHG emissions.

Department and Building	Location	Completion Date	Number of chargers	Cost	Total kWh	GHG avoided (lbs.)	Total Miles
Probation Department HQ	9150 E. Imperial Highway, Downey	Completed Feb 2021	41	\$ 141,621.66 (This is the cost after rebate)	108,426	169,404	193,069
Internal Services Division Headquarters	1100/1102 N. Eastern Avenue, Los Angeles	Completed Feb 2020	27	\$ 262,022.52	140,696	219,982	250,530
Public Health Environmental Quality Headquarters	5050 Commerce Drive, Baldwin Park	Completed April 2020	26	\$ 125,587.55	55,884	87,313	99,511
Carson Library (Library Carson)	151 E. Carson Street, Carson	Completed May 2020	4	\$ 180,023.06	10,496	16,398	18,689
Sheriff Lost Hills and Lennox	27050 Agoura Rd, Calabasas 4331 Lennox Blvd, Lennox	Completed, April 2020	6	\$ 31,040.34	49,078	76,679	87,391
Library Headquarters	7400 Imperial Highway, Downey	Completed August 2020	10	\$ 69,003.33 (After rebate)	43,629	68,165	77,687
Total					408,209	637,941	726,877

ISD will not be able to complete these projects without MSRC funds.

ISD has been fiscally responsible, only using MSRC 18060 grant funds when it did not have other funding sources such as SCE Charge Ready funding or funding from another grant. However, the County is expecting unprecedented financial challenges in the coming fiscal year, due to recovery from the wildfires, a lawsuit, and shifts in support from the federal government. Every division in ISD is preparing a report to demonstrate how it will be cutting costs in the next fiscal year. ISD is leveraging our grant match commitments to justify needing County funding. As a result, we are committed to continuing to provide the match contribution. Unfortunately, without MSRC 18060 funds, the County will not cover the costs for the balance of each project. As a result, we may end up with drawings for some projects, but we will not be able to install 71 charging stations. As a best case scenario, we may be able to cover the cost of completing one project that is furthest along.

When ISD installs charging stations, we see a rapid increase in station use. Our data consistently demonstrates that the demand exists for charging stations and it is continuing to grow. However, we surveyed nearly 800 county residents and of the residents that already have an electric vehicle, 25% indicated they were considering switching back. The concern that most

EV drivers raised was lack of charging stations. Cancelling these projects will have direct impacts on communities in the South Coast Air Quality Management District. Communities that don't receive charging stations may have lower rates of EV adoption. The result could be fewer opportunities to reduce our greenhouse gas emissions and the pollution burdens our communities face.

In contrast, with this amendment to the agreement, the County looks forward to being able to complete the remaining requirement to install 185 EV charging stations as part of ML 18060 and contribute more benefits to improving air quality in the South Coast Air Quality Management District.

In closing, the County welcomes any questions from MSRC and looks forward to a response.

Sincerely,

[Laura Iannaccone \(May 21, 2025 18:02 PDT\)](#)

AGENDA ITEM # 8

Consider Contract Value Increase by Geographics, Contract #MS21006 (\$21,421
– Host & Maintain MSRC Website)

MSRC Agenda Item No. 8

DATE: June 12, 2025

FROM: Ash Nikravan on behalf of Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Consider Contract Value Increase by Geographics, Contract #MS21006

SYNOPSIS: In April 2021, a contract was executed with Geographics for supporting the MSRC website. The tasks under this contract included hosting the MSRC website, conducting routine maintenance, and making website revisions to integrate new features as needed. Previous modifications have added funds and extended the term of this contract, with a current term ending September 20, 2025. Hosting of the website will be transitioning to a new host within the next two to three months.

RECOMMENDATION: At the time this item was placed on the MSRC-TAC agenda, the initial recommendation by the MSRC Contracts Administrator was to increase the contract value by \$1,000. Subsequently, unexpected website maintenance issues arose which required additional efforts by the contractor to resolve. Based on the amount of time remaining under this contract and the remaining balance, it is the MSRC Contracts Administrator's recommendation to increase the contract value by \$1,800 to cover any additional unanticipated maintenance needs and ensure that the website remains operational with uninterrupted service and functionality. Any funds not used at contract termination will revert back to the AB2766 Discretionary Fund. The MSRC Contracts Administrator recommends approval. The MSRC-TAC reviewed the request and recommends approval.

WORK PROGRAM IMPACT: Sufficient funding for this contract value increase is available in the AB 2766 Discretionary Fund and will be included in the FYs 2024-27 Work Program.
